Such requirements shall prohibit the appointment of persons who, after notice and opportunity for a hearing, have been disqualified by the Secretary to make such detection, diagnosis, or inspection. (d) Recordkeeping and reporting requirements; availability of records

The management of a horse show, horse exhibition, or horse sale or auction shall establish and maintain such records, make such reports, and provide such information as the Secretary may by regulation reasonably require for the purposes of implementing this chapter or to determine compliance with this chapter. Upon request of an officer or employee duly designated by the Secretary, such management shall permit entry at all reasonable times for the inspection and copying (on or off the premises) of records required to be maintained under this subsection.
