No. 378 escrow account established by the United States District Court for the District of Kansas until all such deficiency funds have been paid. The Secretary shall, in a manner substantially similar to that required by section 155 of Public Law 97-377 with respect to amounts disbursed under such section, monitor the disposition by the States of any funds disbursed to the States by the court pursuant to the opinion and order of such District Court, dated July 7, 1986, with respect to *In Re: the Department of Energy Stripper Well Exemption Litigation*, M.D.L. No. 378, including the use of such funds for administrative costs and attorneys fees.

(c) Report on amount estimated to be available for indirect restitution

The Secretary shall transmit, on March 1 of each year beginning with 1987 and continuing until all the restitutionary amounts to which section 4501(a) of this title applies have been collected and disbursed as provided in this chapter, a report to such committees containing an estimate of the amount that will be determined under section 4502(c)¹ of this title to be the excess amount for purposes of section 4502(d)(1)(B)¹ of this title for the fiscal year beginning the next October 1.

(d) Receipt by committees

The reports required by this chapter shall be transmitted to the Committee on Energy and Commerce of the House of Representatives and the Committee on Energy and Natural Resources of the Senate.

§ 4506. Termination

(a) In general

(1) Except as provided in subsection (b) of this section, the provisions of this chapter (other than section 4504 of this title) shall terminate 90 days after the Secretary—

(A) determines that all of the restitutionary amounts to which section 4501(a) of this title applies have been collected and disbursed as provided in this chapter; and

(B) submits to Congress the final report required by section 4505 of this title.

(2) Such final report shall include the determination (and the justification thereof) described in paragraph (1)(A). Such report shall also be published in the Federal Register.

(b) Exception

The requirements of section 4502(d)¹ of this title shall continue to be applicable to the use of restitutionary amounts received under this chapter as long as such funds remain available.

SUBCHAPTER I—COOPERATIVE RESEARCH PROGRAM

§ 4601. Findings, purposes, and definitions

(a) Findings

The Congress finds that it is in the national economic and security interests of the United States for the Department of Defense to provide financial assistance to the industry consortium known as Sematech for research and development activities in the field of semiconductor manufacturing technology.

(b) Purposes

The purposes of this subchapter are—

(1) to encourage the semiconductor industry in the United States—

(A) to conduct research on advanced semiconductor manufacturing techniques; and

(B) to develop techniques to use manufacturing expertise for the manufacture of a variety of semiconductor products; and

(2) in order to achieve the purpose set out in paragraph (1), to provide a grant program for the financial support of semiconductor research activities conducted by Sematech.

(c) Definitions

In this subchapter:

(1) The terms “Semiconductor Technology Council” and “Council” mean the advisory council established by section 4603 of this title.

(2) The term “Sematech” means a consortium of firms in the United States semiconductor industry established for the purposes of (A) conducting research concerning
