

**(a) Amount and time of water delivery to Service**

the public organizations or agencies contracting with the Secretary of the Interior, excluding the State of California, shall deliver annually to the United States Fish and Wildlife Service (hereinafter referred to as the "Service"), at no cost to the United States, not less than three thousand five hundred acre-feet of water during the period October 1 through November 30, inclusive, and not less than four thousand acre-feet of water during the period May 1 through September 30, inclusive, if available: *Provided*, That such amounts of water and times of delivery may be changed upon approval of the Secretary of the Interior;

**(b) Construction, operation, and maintenance of water conveyance facilities**

the public organizations or agencies, excluding the State of California, shall construct, operate, and maintain any water conveyance facilities necessary to deliver the water referred to in subsection (a) of this section to a point or points within the boundaries of such public organization or agency as designated by the Service, or to such points as may be mutually agreed upon by the public organization or agency and the Service. The Service shall be responsible for delivering the water from such point or points to appropriate locations within lands under its jurisdiction;

**(c) Reversionary rights of Secretary**

any contract entered into by the Secretary of the Interior and any public organization or agency pursuant to sections 695d to 695j-1 this title shall provide that in the event the public organization or agency for any reason fails to carry out the obligations imposed upon it by said contract or by sections 695d to 695j-1 this title, the rights of use of any facilities referred to in subsection (b) of this section, and the rights to all water contracted for by the organization or agency pursuant to sections 695d to 695j-1 this title shall revert to the Secretary of the Interior for migratory waterfowl purposes in accordance with the laws of the State of California; and

**(d) Restrictive covenants**

in accordance with existing or future contracts, the use of lands located within the boundaries of the public organizations or agencies shall be restricted by covenants requiring that such lands be used only for the purpose of waterfowl and wildlife habitat conservation or other uses as may be mutually agreed upon by the public organizations or agencies and the Service.

**§ 695l. Dedication of lands within boundaries of refuges to wildlife conservation; administration of lands for waterfowl management and optimum agricultural use; homestead entry prohibition; inclusion of other public lands; property of the United States**

Notwithstanding any other provisions of law, all lands owned by the United States lying with-

in the Executive order boundaries of the Tule Lake National Wildlife Refuge, the Lower Klamath National Wildlife Refuge, the Upper Klamath National Wildlife Refuge, and the Clear Lake Wildlife Refuge are hereby dedicated to wildlife conservation. Such lands shall be administered by the Secretary of the Interior for the major purpose of waterfowl management, but with full consideration to optimum agricultural use that is consistent therewith. Such lands shall not be opened to homestead entry. The following public lands shall also be included within the boundaries of the area dedicated to wildlife conservation, shall be administered by the Secretary of the Interior for the major purpose of waterfowl management, but with full consideration to optimum agricultural use that is consistent therewith, and shall not be opened to homestead entry: Hanks March, and first form withdrawal lands (approximately one thousand four hundred and forty acres) in Klamath County, Oregon, lying adjacent to Upper Klamath National Wildlife Refuge; White Lake in Klamath County, Oregon, and Siskiyou County, California; and thirteen tracts of land in Siskiyou County, California, lettered as tracts "A", "B", "C", "D", "E", "F", "G", "H", "I", "J", "K", "L", and "N" totaling approximately three thousand two hundred and ninety-two acres, and tract "P" in Modoc County, California, containing about ten acres, all as shown on plate 4 of the report entitled "Plan for Wildlife Use of Federal Lands in the Upper Klamath Basin, Oregon-California," dated April 1956, prepared by the United States Fish and Wildlife Service. All the above lands shall remain permanently the property of the United States.

#### SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 695n, 695r of this title.

#### **§ 695m. Annual percentage payments of net revenues from leases of Klamath project lands on pro rata basis; limitation on payments; priority of use of net revenues**

Subject to conditions hereafter prescribed, and pursuant to such regulations as may be issued by the Secretary, 25 per centum of the net revenues collected during each fiscal year from the leasing of Klamath project reserved Federal lands within the Executive order boundaries of the Lower Klamath National Wildlife Refuge and the Tule Lake National Wildlife Refuge shall be paid annually by the Secretary, without further authorization, for each full fiscal year after September 2, 1964 to the counties in which such refuges are located, such payments to be made on a pro rata basis to each county based upon the refuge acreage in each county: *Provided*, That the total annual payment per acre to each county shall not exceed 50 per centum of the average per acre tax levied on similar lands in private ownership in each county, as determined by the Secretary: *Provided further*, That no such payments shall be made which will reduce the credits or the payments to be made pursuant to contractual obligations of the United States with the Tulelake Irrigation Dis-

trict or the payments to the Klamath Drainage District as full reimbursement for the construction of irrigation facilities within said district, and that the priority of use of the total net revenues collected from the leasing of the lands described in this section shall be (1) to credit or pay from each revenues to the Tulelake Irrigation District the amounts already committed to such payment or credit; (2) to pay from such revenues to the Klamath Drainage District the sum of \$197,315; and (3) to pay from such revenues to the counties the amounts prescribed by this section.

(Pub. L. 88-567, § 3, Sept. 2, 1964, 78 Stat. 850.)

#### SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 695r of this title.

#### **§ 695n. Leases of Lower Klamath and Tule Lake National Wildlife Refuge reserved lands; management of other reserved public lands for waterfowl purposes**

The Secretary shall, consistent with proper waterfowl management, continue the present pattern of leasing the reserved lands of the Klamath Straits unit, the Southwest Sump, the League of Nations unit, the Henzel lease, and the Frog Pond unit, all within the Executive order boundaries of the Lower Klamath and Tule Lake National Wildlife Refuges and shown in plate 4 of the report entitled "Plan for Wildlife Use of Federal Lands in the Upper Klamath Basin, Oregon-California," dated April 1956. Leases for these lands shall be at a price or prices designed to obtain the maximum lease revenues. The leases shall provide for the growing of grain, forage, and soil-building crops, except that not more than 25 per centum of the total leased lands may be planted to row crops. All other reserved public lands included in section 695l of this title shall continue to be managed by the Secretary for waterfowl purposes, including the growing of agricultural crops by direct planting and sharecrop agreements with local cooperators where necessary.
