

“Librarian of Congress, the Director of the Institute of Museum and Library Services (who shall serve as an ex officio, nonvoting member),” for “Librarian of Congress”, in second sentence, inserted “and at least one other of whom shall be knowledgeable with respect to the library and information service and science needs of the elderly” before period at end, and in third sentence, inserted “appointive” before “members of the Commission”.

Pub. L. 104–208, §101(e) [title VII, §703(b)(1)(B)(i)], substituted “special competence in or knowledge of” for “special competence or interest in”. The substitution was made to reflect the probable intent of Congress, in the absence of closing quotations designating the provisions to be inserted.

Pub. L. 104–208, §101(e) [title VII, §703(b)(1)(D)], which directed that “term.” be substituted for “term and at least” and all that follows in last sentence of subsec. (a), could not be executed because the phrase “term and at least” did not appear in subsec. (a).

Subsec. (b). Pub. L. 104–208, §101(e) [title VII, §703(b)(2)], substituted “the daily equivalent of the maximum rate authorized for a position above grade GS–15 of the General Schedule under section 5108 of title 5, for each day (including traveltime) during which the members are engaged in the business of the Commission. While” for “the rate specified at the time of such service for grade GS–18 in section 5332 of title 5, including traveltime, and while”.

1991—Subsec. (a). Pub. L. 102–95 inserted after third sentence “A majority of members of the Commission shall constitute a quorum for conduct of business at official meetings of the Commission.” and substituted “(1) the term of office of any member of the Commission shall continue until the earlier of (A) the date on which the member’s successor has been appointed by the President; or (B) July 19 of the year succeeding the year in which the member’s appointed term of office shall expire,” for “(1) the terms of office of the members first appointed shall commence on July 20, 1970, and shall expire two at the end of one year, three at the end of two years, three at the end of three years, three at the end of four years, and three at the end of five years, as designated by the President at the time of appointment” in fourth sentence.

1973—Subsec. (a). Pub. L. 93–29 required that one of the appointees be knowledgeable with respect to the library and information service and science needs of the elderly.
