§ 2906. Management of the Friendship Trust Fund

(a) Constituent amounts

The Fund shall consist of—

- (1) amounts appropriated under sections 2902(d) and (e)(1) of this title;

(b) Investments by Secretary of Treasury in authorized obligations; issuance of obligations and special obligations; conditions of acquisition

It shall be the duty of the Secretary of the Treasury (hereafter referred to as the “Secretary”) to invest such portion of the Fund as is not, in the judgment of the Commission, required to meet current withdrawals. Such investment may be made only in interest-bearing obligations of the United States, in obligations guaranteed as to both principal and interest by the United States, in interest-bearing obligations of Japan, or in obligations guaranteed as to both principal and interest by Japan. For such purposes, the obligations may be acquired

(1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under chapter 31 of title 31, are hereby extended to authorize the issuance at par of special obligations exclusively to the Fund. Such special obligations shall be issued only if the Secretary determines that the purchase of other interest-bearing obligations of the United States, or of obligations guaranteed as to both principal and interest by the United States on original issue or at the market price, is not in the public interest.

(c) Sale of obligations; redemption of special obligations

Any obligation acquired by the Fund (except special obligations issued exclusively to the Fund) may be sold by the Secretary at the market price, and such special obligations may be redeemed at par plus accrued interest.

(d) Credit to Fund of interest on, and proceeds from sale or redemption of, any obligations held in Fund

The interest on, and the proceeds from the sale or redemption of, any obligations held in the Fund shall be credited to and form a part of the Fund.

(e) Payments for implementation of programs and necessary expenses of Commission; appropriation of amounts; exceptions

In accordance with section 2905(4) of this title, the Secretary shall pay out of the Fund such amounts, including expenses of the Commission, as the Commission considers necessary to carry out the provisions of this chapter; except that amounts in the Fund, other than amounts which have been appropriated and amounts received (including amounts earned as interest on, and proceeds from the sale or redemption of, obligations purchased with amounts received) by the Commission pursuant to sections 2905(2) and (3) of this title, shall be subject to the appropriation process.
