Any trust or restricted Indian lands, whether tribally or individually owned, located on the San Xavier Indian Reservation and the Salt River Pima-Maricopa Indian Reservation, in the State of Arizona, may be leased by the Indian owners, with the approval of the Secretary of the Interior, for public, religious, educational, recreational, residential, business, farming or grazing purposes, including the development or utilization of natural resources in connection with operations under such leases, but no lease shall be executed under sections 416 to 416j of this title for purposes that are subject to the laws governing mining leases on Indian lands. The term of a grazing lease shall not exceed ten years, the term of a farming lease that does not require the making of a substantial investment in the improvement of the land shall not exceed ten years, and the term of a farming lease that requires the making of a substantial investment in the improvement of the land shall not exceed forty years. The term of any other lease shall not exceed ninety-nine years. No lease shall contain an option to renew which, if exercised, will extend the total term beyond the maximum term permitted by sections 416 to 416j of this title. The Secretary of the Interior shall not approve any lease with a term that is longer than is necessary in his judgment to obtain maximum economic benefits for the Indian owners.

(b) Judicial enforcement

The State of Arizona, or any political subdivision thereof contiguous with the San Xavier or Salt River Pima-Maricopa Indian Reservation, may bring suit, without regard to the amount in

controversy, in the United States District Court for the District of Arizona to abate or enjoin any violation of the covenant required under subsection (a) of this section: *Provided*, That if, by reason of the citizenship of the parties and the law applicable to the cause of action, the District Court finds it lacks jurisdiction to hear and determine such suit, it may be brought in any court of competent jurisdiction of the State of Arizona.

(a) Notice requirements prior to approval of lease

The Secretary of the Interior shall, before he approves any lease under sections 416 to 416j of this title for public, religious, educational, recreational, business, or residential purposes and if he determines that such lease will substantially affect the governmental interests of a municipality described hereunder, notify the appropriate authorities of any municipality contiguous to the San Xavier or Salt River Pima-Maricopa Reservation, as the case may be, of the pendency of the proposed lease and, in his discretion, furnish them with an outline of the major provisions of the lease which affect such governmental interests and shall consider any comments on the terms of the lease affecting the municipality, or on the absence of such terms from the lease, that such authorities may offer within such reasonable period, but not more than thirty days, as the Secretary may prescribe in his notice to them.

(b) Development by non-Indian lessees

It is the intent of the Congress that the terms under which lands located on the San Xavier and Salt River Pima-Maricopa Reservations are developed by non-Indian lessees shall, to the extent reasonably possible, be similar to those applicable under State or local law to the development of non-Indian lands in the municipalities contiguous thereto.
