

(b) Estimate of additional necessary funds through fiscal year 1990

Within six months after October 31, 1983, the Corporation shall transmit to the Congress an estimate, for each fiscal year, of the additional funds which will be necessary for the Corporation to carry out the development plan through the fiscal year 1990. Such estimate shall include a detailed statement of the projects and other expenditures for which such funds are proposed to be used, together with an estimate of the projected costs thereof.

(c) Protection and enhancement of significant historic and architectural values

The report submitted under subsection (a) of this section shall include a detailed discussion of the actions the Corporation has taken within the reporting period to protect and enhance the significant historic and architectural values of structures within the boundaries of the Corporation's jurisdiction, and indicating similar actions it plans to take and issues it anticipates dealing with during the upcoming fiscal year related to historic and architectural preservation. Such report shall indicate the degree to which public concern has been considered and incorporated into decisions made by the Corporation relative to historic and architectural preservation.
