

the Construction of an Office Building(s) for the Administrative Office of the United States Courts", submitted to Congress on August 10, 1987, by the Architect and the Secretary of Transportation, and (B) the Master Plan for the United States Capitol, dated 1981.

(2) Contents

The development agreement under paragraph (1) shall at a minimum provide for the following:

(A) Except to the extent otherwise provided by this chapter, all design, development, and construction costs incurred with respect to the building to be constructed under the agreement will be at no cost to the United States.

(B) Title to squares 721 and 722 will remain in the United States.

(C) Title to the building and other improvements constructed or otherwise made on or to squares 721 and 722 will immediately revert to the United States at the expiration of not more than 30 years from the effective date of the lease agreement entered into under section 1203 of this title without payment of any compensation by the United States.

(D) The building and other improvements constructed on or to squares 721 and 722 to be leased to the United States will be in accordance with the provisions of this chapter and the lease agreement will contain such terms and conditions as may be prescribed by the Architect to carry out the objectives of this chapter.

The agreement shall include a copy of the lease agreement entered into under section 1203 of this title by the Architect and the person selected to develop squares 721 and 722.

(c) Chilled water and steam from Capitol Power Plant

(1) Authority for hookup to Capitol Power Plant

The building to be constructed under this chapter may be connected to the Capitol Power Plant through construction of extensions to the chilled water and steam lines which serve Union Station. If such building is to be connected to the Capitol Power Plant, the agreement under subsection (b) of this section between the Architect and the person selected to construct such building shall provide that such person will bear all costs associated with the installation of chilled water and steam lines to the building and shall reimburse the Union Station Redevelopment Corporation for an equitable share of the costs incurred by the Union Station Redevelopment Corporation in the construction of extensions of the chilled water and steam lines from such Plant to Union Station.

(2) Furnishing of chilled water and steam from Capitol Power Plant

If the building to be constructed under this chapter is connected with the Capitol Power Plant pursuant to paragraph (1), the Architect shall furnish, on a reimbursable basis, chilled water and steam from such Plant to such building.

(d) Construction standards and inspections

The building and other improvements constructed under this chapter shall meet all standards applicable to construction of a Federal building. During construction, the Architect shall conduct periodic inspections of such building for the purpose of assuring that such standards are being met. Such building shall not be subject to any law of the District of Columbia relating to building codes, permits, or inspection (including any such law enacted by Congress).

(e) Applicability of certain laws

The building and other improvements constructed under this chapter shall not be subject to any law of the District of Columbia relating to real estate and personal property taxes, special assessments, or other taxes (including any such law enacted by Congress).

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1203, 1205 of this title.

§ 1203. Lease of building by Architect of the Capitol

(a) Entry into lease agreement

Before the development agreement is entered into under section 1202 of this title, the Architect shall enter into with the person selected to construct the building under this chapter an agreement for the lease of such building by the Architect to carry out the objectives of this chapter.

(b) Terms of lease agreement

The agreement entered into under this section shall include at a minimum the following terms:

(1) The Architect will lease the building and other improvements for a term not to exceed 30 years from the effective date of such lease agreement.

(2) The rental rate per square foot of occupiable space for all space in the building and other improvements will be in the best interest of the United States and carry out the objectives of this chapter, but in no case may the aggregate rental rate for all space in the building and other improvements produce an amount less than the amount necessary to amortize the cost of development of squares 721 and 722 over the term of the lease.

(3) Authority for the Architect to make space available and to sublease space in the building and other improvements in accordance with section 1205 of this title.

(c) Accounting system

The Architect shall maintain an accounting system for operation and maintenance of the building and other improvements to be con-

structed under this chapter which will permit accurate projections of the dates and the costs of major repairs, improvements, reconstructions, and replacements of such building and improvements and other capital expenditures on such building and improvements.

(d) Obligation of funds

Obligation of funds for lease payments under this section may only be made on an annual basis and may only be made from the account established by section 1207 of this title.

(Pub. L. 100-480, § 4, Oct. 7, 1988, 102 Stat. 2331.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1202, 1205, 1207 of this title.

§ 1204. Structural and mechanical care and security

(a) Structural and mechanical care

Upon occupancy by the United States of the building and other improvements constructed under this chapter, the structural and mechanical care and maintenance of such building and improvements (including the care and maintenance of the grounds of such building) shall be the responsibility of the Architect, under the direction of the Commission, in the same manner and to the same extent as the structural and mechanical care and maintenance of the United States Supreme Court Building under section 13a of this title, and all other duties and work required for the operation and domestic care of such building and improvements shall be performed by the Architect, under the direction of the Commission.

(b) Security

(1) General rule

The United States Capitol Police shall be responsible for all exterior security of the building and other improvements constructed under this chapter.

(2) Authority of Supreme Court Marshal

Nothing in this chapter shall be construed to interfere with the obligation of the Marshal of the Supreme Court of the United States to protect justices, officers, employees, or other personnel of the Supreme Court who may occupy the building and other improvements.

(3) Reimbursement

The Architect shall transfer from the account established by section 1207 of this title such amounts as may be necessary to reimburse the United States Capitol Police for expenses incurred in providing exterior security under this subsection. The United States Capitol Police may accept amounts transferred by the Architect under this paragraph, and such amounts shall be credited to the appropriation account charged by the United States Capitol Police in executing the performance of security duties.

(c) Authority of Capitol Police

The United States Capitol Police are authorized to police the building and other improvements constructed pursuant to this chapter, in-

cluding the interior and exterior thereof, and to make arrests within the interior and exterior of such building and other improvements for any violation of any law of the United States, of the District of Columbia, or of any State, or any regulation promulgated pursuant thereto.

AMENDMENTS

1992—Subsec. (b)(1), (3). Pub. L. 102-392 substituted “exterior security” for “exterior and interior security”.

Subsec. (c). Pub. L. 102-392 added subsec. (c).

§ 1205. Allocation of space

(a) Governmental entities

(1) Judicial branch

Subject to the provisions of this section, the Architect shall make available, on a reimbursable basis, all space in the building and other improvements constructed under this chapter to the judicial branch of the United States substantially in accordance with the report referred to in section 1202(b)(1) of this title.

(2) Other

Any space in the building and other improvements constructed under this chapter which the Chief Justice determines is not needed by the judicial branch of the United States may be made available by the Architect, on a reimbursable basis, to Federal governmental entities which are not part of the judicial branch and which are not staff of Members of Congress or Congressional Committees.

(3) Terms and conditions

Space made available under this subsection shall be subject to such terms and conditions as are necessary to carry out the objectives of this chapter.

(4) Reimbursement rate

All space made available by the Architect under this subsection shall be subject to reimbursement at the rate established under section 1203(b)(2) of this title plus such amount as the Architect and—

(A) in the case of the judicial branch, the Director of the Administrative Office of the United States Courts, or

(B) in the case of any governmental entity not a part of the judicial branch, such entity,

determine is necessary to pay on an annual basis for the cost of administering the building and other improvements (including costs of operation, maintenance, rehabilitation, security, and structural, mechanical, and domestic care) which are attributable to such space.

(5) Meeting judicial branch needs

(A) In general

Whenever the Chief Justice notifies the Architect that the judicial branch of the United States requires additional space in the building and other improvements con-
