Whenever a contracting agency hereafter directs a prime contractor to cease or suspend all or a substantial part of the work under a prime contract, without terminating the contract, then, unless the contract provides otherwise, (1) the contracting agency shall compensate the contractor for reasonable costs and expenses resulting from such cessation or suspension, and (2) if the cessation or suspension extends for thirty days or more, the contractor may elect to treat it as a termination by delivering written notice of his election so to do to the contracting agency, at any time before the contracting agency directs the prime contractor to resume work under the contract.

(c) Authority of Administrator of General Services; classes of contracts
