(c) Nothing in the above delegation shall augment, diminish, or otherwise modify any existing responsibilities and authorities of any other executive branch agency.

SEC. 4. Results of Investigation. (a) The report containing the results of the investigation conducted under the supervision of the Chair of the Integrity Committee shall be provided to the members of the Integrity Committee for consideration.

(b) With respect to those matters where the Integrity Committee has referred an administrative allegation to an agency of the executive branch with appropriate jurisdiction over the matter, the head of that agency shall provide a report to the Integrity Committee concerning the scope and results of the inquiry.

(c) The Integrity Committee shall assess the report received under (a) or (b) of this section and determine whether the results require forwarding of the report, with Integrity Committee recommendations, to the Chairperson of the PCIE/ECIE for resolution. If the Integrity Committee determines that the report requires no further referral or recommendations, it shall so notify the Chairperson of the PCIE/ECIE.

(d) Where the Chairperson of the PCIE/ECIE determines that dissemination of the report to the head of the subject's employing agency or entity is appropriate, the head of the agency or entity shall certify to the Chairperson of the PCIE/ECIE within sixty 60 [sic] days that he has personally reviewed the report, what action, if any, has been or is to be taken, and when any action taken will be completed. The PCIE/ECIE Chairperson may grant the head of the entity or agency a 30-day extension when circumstances necessitate such extension.

(e) The Chairperson of the PCIE/ECIE shall report to the Integrity Committee the final disposition of the matter, including what action, if any, has been or is to be taken by the head of the subject's employing agency or entity. When the Integrity Committee receives notice of the final disposition, it shall advise the subject of the investigation that the matter referred to the Integrity Committee for review has been closed.

SEC. 5. Procedures. (a) The Integrity Committee, in conjunction with the Chairperson of the PCIE/ECIE, shall establish the policies and procedures necessary to ensure consistency in conducting investigations and reporting activities under this order.

(b) Such policies and procedures shall specify the circumstances under which the Integrity Committee, upon review of a complaint containing allegations of wrongdoing, may determine that an allegation is without merit and therefore the investigation is unwarranted. A determination by the Integrity Committee that an investigation is unwarranted shall be considered the Integrity Committee's final disposition of the complaint.

(c) The policies and procedures may be expanded to encompass other issues related to the handling of allegations against IGs and others covered by this order.

SEC. 6. Records Maintenance. All records created and received pursuant to this order are records of the Integrity Committee and shall be maintained by the FBI.
