§ 1742. Determination of commodity value for set-aside

Quantities of commodities shall not be included in the commodity set-aside which have an aggregate value in excess of \$2,500,000,000. The value of the commodities placed in the commodity set-aside, for the purpose of this section, shall be the Corporation’s investment in such commodities as of the date they are included in the commodity set-aside, as determined by the Secretary.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1746 of this title.

§ 1743. Reduction of set-aside

(a) Such commodity set-aside shall be reduced by disposals made in accordance with the directions of the President as follows:

(1) Donation, sale, or other disposition for disaster or other relief purposes outside the United States pursuant to and subject to the limitations of subchapter III of chapter 41 of this title;

(2) Sale or barter (including barter for strategic materials) to develop new or expanded markets for American agricultural commodities, including but not limited to disposition pursuant to and subject to the limitations of subchapter II of chapter 41 of this title;

(3) Donation to school-lunch programs;

(4) Transfer to the National Defense Stockpile established by the Strategic and Critical Materials Stock Piling Act (50 U.S.C. 98 et seq.), without reimbursement from funds appropriated for the purposes of that Act;

(5) Donation, sale, or other disposition for research, experimental, or educational purposes;

(6) Donation, sale, or other disposition for disaster relief purposes in the United States or to meet any national emergency declared by the President; and

(7) Sale for unrestricted use to meet a need for increased supplies at not less than 105 per centum of the parity price in the case of agricultural commodities and a price reflecting 105 per centum of the parity price of the agricultural commodity in the case of products of agricultural commodities.

The President shall prescribe such terms and conditions for the disposal of commodities in the commodity set-aside as he determines will provide adequate safeguards against interference with normal marketings of the supplies of such commodities outside the commodity set-aside. Strategic materials acquired by the Commodity Credit Corporation under paragraph (2) of this subsection shall be transferred to the National Defense Stockpile established by the Strategic and Critical Materials Stock Piling Act [50 U.S.C. 98 et seq.], and the Commodity Credit Corporation shall be reimbursed for the value of the commodities bartered for such strategic materials from funds appropriated for purposes of that Act. For the purpose of such reimbursement, the value of any commodity so bartered shall be the lower of the domestic market price or the Commodity Credit Corporation's investment therein as of the date of such barter, as determined by the Secretary of Agriculture.

(b) The quantity of any commodity in the commodity set-aside shall be reduced to the extent that the Commodity Credit Corporation inventory of such commodity is reduced, by natural or other cause beyond the control of the Corporation, below the quantity then charged to the commodity set-aside.
