

section 6517 of this title, the Secretary shall consult with the National Organic Standards Board established under section 6518 of this title.

**(d) Certification**

The Secretary shall implement the program established under subsection (a) of this section through certifying agents. Such certifying agents may certify a farm or handling operation that meets the requirements of this chapter and the requirements of the organic certification program of the State (if applicable) as an organically certified farm or handling operation.

(Pub. L. 101-624, title XXI, §2104, Nov. 28, 1990, 104 Stat. 3937.)

**§ 6504. National standards for organic production**

To be sold or labeled as an organically produced agricultural product under this chapter, an agricultural product shall—

(1) have been produced and handled without the use of synthetic chemicals, except as otherwise provided in this chapter;

(2) except as otherwise provided in this chapter and excluding livestock, not be produced on land to which any prohibited substances, including synthetic chemicals, have been applied during the 3 years immediately preceding the harvest of the agricultural products; and

(3) be produced and handled in compliance with an organic plan agreed to by the producer and handler of such product and the certifying agent.

(Pub. L. 101-624, title XXI, §2105, Nov. 28, 1990, 104 Stat. 3937; Pub. L. 102-237, title X, §1001(1), Dec. 13, 1991, 105 Stat. 1893.)

AMENDMENTS

1991—Par. (2). Pub. L. 102-237 substituted “; and” for period at end.

**§ 6505. Compliance requirements**

**(a) Domestic products**

**(1) In general**

On or after October 1, 1993—

(A) a person may sell or label an agricultural product as organically produced only if such product is produced and handled in accordance with this chapter; and

(B) no person may affix a label to, or provide other market information concerning, an agricultural product if such label or information implies, directly or indirectly, that such product is produced and handled using organic methods, except in accordance with this chapter.

**(2) USDA standards and seal**

A label affixed, or other market information provided, in accordance with paragraph (1) may indicate that the agricultural product meets Department of Agriculture standards for organic production and may incorporate the Department of Agriculture seal.

**(b) Imported products**

Imported agricultural products may be sold or labeled as organically produced if the Secretary

determines that such products have been produced and handled under an organic certification program that provides safeguards and guidelines governing the production and handling of such products that are at least equivalent to the requirements of this chapter.

**(c) Exemptions for processed food**

Subsection (a) of this section shall not apply to agricultural products that—

(1) contain at least 50 percent organically produced ingredients by weight, excluding water and salt, to the extent that the Secretary, in consultation with the National Organic Standards Board and the Secretary of Health and Human Services, has determined to permit the word “organic” to be used on the principal display panel of such products only for the purpose of describing the organically produced ingredients; or

(2) contain less than 50 percent organically produced ingredients by weight, excluding water and salt, to the extent that the Secretary, in consultation with the National Organic Standards Board and the Secretary of Health and Human Services, has determined to permit the word “organic” to appear on the ingredient listing panel to describe those ingredients that are organically produced in accordance with this chapter.

**(d) Small farmer exemption**

Subsection (a)(1) of this section shall not apply to persons who sell no more than \$5,000 annually in value of agricultural products.

(Pub. L. 101-624, title XXI, §2106, Nov. 28, 1990, 104 Stat. 3937.)

**§ 6506. General requirements**

**(a) In general**

A program established under this chapter shall—

(1) provide that an agricultural product to be sold or labeled as organically produced must—

(A) be produced only on certified organic farms and handled only through certified organic handling operations in accordance with this chapter; and

(B) be produced and handled in accordance with such program;

(2) require that producers and handlers desiring to participate under such program establish an organic plan under section 6513 of this title;

(3) provide for procedures that allow producers and handlers to appeal an adverse administrative determination under this chapter;

(4) require each certified organic farm or each certified organic handling operation to certify to the Secretary, the governing State official (if applicable), and the certifying agent on an annual basis, that such farm or handler has not produced or handled any agricultural product sold or labeled as organically produced except in accordance with this chapter;

(5) provide for annual on-site inspection by the certifying agent of each farm and handling operation that has been certified under this chapter;
