

and agencies with responsibilities under the National Drug Control Program. The recommendations shall apply to the second following fiscal year and address funding priorities developed in the annual National Drug Control Strategy.

(b) *Measurement of National Drug Control Strategy Outcomes.* (1) The National Drug Control Strategy shall include long-range goals for reducing drug use and the consequences of drug use in the United States, including burdens on hospital emergency rooms, drug use among arrestees, the extent of drug-related crime, high school dropout rates, the number of infants exposed annually to illicit drugs in utero, national drug abuse treatment capacity, and the annual national health care costs of drug use.

(2) The National Drug Control Strategy shall also include an assessment of the quality of techniques and instruments to measure current drug use and supply and demand reduction activities, and the adequacy of the coverage of existing national drug use instruments and techniques to measure the total illicit drug user population and groups at-risk for drug use.

(3) The Director shall coordinate an effort among the relevant drug control program agencies to assess the quality, access, management, effectiveness, and standards of accountability of drug abuse treatment, prevention, education, and other demand reduction activities.

(c) *Provision of Reports.* To the extent permitted by law, heads of departments and agencies with responsibilities under the National Drug Control Program shall make available to the Office of National Drug Control Policy, appropriate statistics, studies, and reports, pertaining to Federal drug abuse control.

WILLIAM J. CLINTON.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1702, 1705, 1706, 1707, 1710 of this title.

**§ 1704. Coordination with National Drug Control Program agencies in demand reduction, supply reduction, and State and local affairs**

**(a) Access to information**

**(1) In general**

Upon the request of the Director, the head of any National Drug Control Program agency shall cooperate with and provide to the Director any statistics, studies, reports, and other information prepared or collected by the agency concerning the responsibilities of the agency under the National Drug Control Strategy that relate to—

(A) drug abuse control; or

(B) the manner in which amounts made available to that agency for drug control are being used by that agency.

**(2) Protection of intelligence information**

**(A) In general**

The authorities conferred on the Office and the Director by this chapter shall be exercised in a manner consistent with provisions of the National Security Act of 1947 (50 U.S.C. 401 et seq.). The Director of Central Intelligence shall prescribe such regulations as may be necessary to protect information provided pursuant to this chapter regarding intelligence sources and methods.

**(B) Duties of Director**

The Director of Central Intelligence shall, to the maximum extent practicable in accordance with subparagraph (A), render full assistance and support to the Office and the Director.

**(3) Illegal drug cultivation**

The Secretary of Agriculture shall annually submit to the Director an assessment of the acreage of illegal drug cultivation in the United States.

**(b) Certification of policy changes to Director**

**(1) In general**

Subject to paragraph (2), the head of a National Drug Control Program agency shall, unless exigent circumstances require otherwise, notify the Director in writing regarding any proposed change in policies relating to the activities of that agency under the National Drug Control Program prior to implementation of such change. The Director shall promptly review such proposed change and certify to the head of that agency in writing whether such change is consistent with the National Drug Control Strategy.

**(2) Exception**

If prior notice of a proposed change under paragraph (1) is not practicable—

(A) the head of the National Drug Control Program agency shall notify the Director of the proposed change as soon as practicable; and

(B) upon such notification, the Director shall review the change and certify to the head of that agency in writing whether the change is consistent with the National Drug Control Program.

**(c) General Services Administration**

The Administrator of General Services shall provide to the Director, in<sup>1</sup> a reimbursable basis, such administrative support services as the Director may request.

**(d) Accounting of funds expended**

The Director shall—

(A) require the National Drug Control Program agencies to submit to the Director not later than February 1 of each year a detailed accounting of all funds expended by the agencies for National Drug Control Program activities during the previous fiscal year, and require such accounting to be authenticated by the Inspector General for each agency prior to submission to the Director; and

(B) submit to Congress not later than April 1 of each year the information submitted to the Director under subparagraph (A).

(Pub. L. 105-277, div. C, title VII, §705, Oct. 21, 1998, 112 Stat. 2681-680.)

REPEAL OF SECTION

*For repeal of section on Sept. 30, 2003, see section 1712 of this title.*

REFERENCES IN TEXT

The National Security Act of 1947, referred to in subsec. (a)(2)(A), is act July 26, 1947, ch. 343, 61 Stat. 495, as amended. For complete classification of this Act to the Code, see Short Title note set out under section 401 of Title 50, War and National Defense, and Tables.

**§ 1705. Development, submission, implementation, and assessment of National Drug Control Strategy**

**(a) Timing, contents, and process for development and submission of National Drug Control Strategy**

**(1) Timing**

Not later than February 1, 1999, the President shall submit to Congress a National Drug Control Strategy, which shall set forth a comprehensive plan, covering a period of not more than 5 years, for reducing drug abuse and the consequences of drug abuse in the United States, by limiting the availability of and reducing the demand for illegal drugs.

**(2) Contents**

**(A) In general**

The National Drug Control Strategy submitted under paragraph (1) shall include—

(i) comprehensive, research-based, long-range, quantifiable, goals for reducing drug abuse and the consequences of drug abuse in the United States;

(ii) annual, quantifiable, and measurable objectives and specific targets to accomplish long-term quantifiable goals that the Director determines may be achieved during each year of the period beginning on the date on which the National Drug Control Strategy is submitted;

(iii) 5-year projections for program and budget priorities; and

(iv) a review of international, State, local, and private sector drug control activities to ensure that the United States pursues well-coordinated and effective drug control at all levels of government.

**(B) Classified information**

Any contents of the National Drug Control Strategy that involves information properly classified under criteria established by an Executive order shall be presented to Congress separately from the rest of the National Drug Control Strategy.

**(3) Process for development and submission**

**(A) Consultation**

In developing and effectively implementing the National Drug Control Strategy, the Director—

(i) shall consult with—

(I) the heads of the National Drug Control Program agencies;

(II) Congress;

(III) State and local officials;

(IV) private citizens and organizations with experience and expertise in demand reduction;

(V) private citizens and organizations with experience and expertise in supply reduction; and

(VI) appropriate representatives of foreign governments;

(ii) with the concurrence of the Attorney General, may require the El Paso Intelligence Center to undertake specific tasks or projects to implement the National Drug Control Strategy; and

(iii) with the concurrence of the Director of Central Intelligence and the Attorney General, may request that the National Drug Intelligence Center undertake specific tasks or projects to implement the National Drug Control Strategy.

**(B) Inclusion in Strategy**

The National Drug Control Strategy under this subsection, and each report submitted under subsection (b) of this section, shall include a list of each entity consulted under subparagraph (A)(i).

**(4) Specific targets**

The targets in the National Drug Control Strategy shall include the following:

(A) Reduction of unlawful drug use to 3 percent of the population of the United States or less by December 31, 2003 (as measured in terms of overall illicit drug use during the past 30 days by the National Household Survey), and achievement of at least 20 percent of such reduction during each of 1999, 2000, 2001, 2002, and 2003.

(B) Reduction of adolescent unlawful drug use (as measured in terms of illicit drug use during the past 30 days by the Monitoring the Future Survey of the University of Michigan or the National PRIDE Survey conducted by the National Parents' Resource Institute for Drug Education) to 3 percent of the adolescent population of the United States or less by December 31, 2003, and achievement of at least 20 percent of such reduction during each of 1999, 2000, 2001, 2002, and 2003.

(C) Reduction of the availability of cocaine, heroin, marijuana, and methamphetamine in the United States by 80 percent by December 31, 2003.

(D) Reduction of the respective nationwide average street purity levels for cocaine, heroin, marijuana, and methamphetamine (as estimated by the interagency drug flows assessment led by the Office of National Drug Control Policy, and based on statistics collected by the Drug Enforcement Administration and other National Drug Control Program agencies identified as relevant by the Director) by 60 percent by December 31, 2003, and achievement of at least 20 percent of each such reduction during each of 1999, 2000, 2001, 2002, and 2003.

(E) Reduction of drug-related crime in the United States by 50 percent by December 31, 2003, and achievement of at least 20 percent of such reduction during each of 1999, 2000, 2001, 2002, and 2003, including—

(i) reduction of State and Federal unlawful drug trafficking and distribution;

(ii) reduction of State and Federal crimes committed by persons under the influence of unlawful drugs;

(iii) reduction of State and Federal crimes committed for the purpose of obtaining unlawful drugs or obtaining property that is intended to be used for the purchase of unlawful drugs; and

(iv) reduction of drug-related emergency room incidents in the United States (as measured by data of the Drug Abuse Warn-
