

Board pursuant to subchapter II of chapter 113 of title 49, but in no event shall the rendition of services by the Secretary or his assignee await the outcome of proceedings before the reorganization court or the Board.

(c) Certificate as administrative expense; priority of certificate

The Secretary shall not guarantee any certificate under this section unless such certificate is treated as an expense of administration and receives the highest lien on the railroad's property and priority in payment under the Bankruptcy Act, except that this subsection shall not apply to certificates guaranteed for a railroad that is actively engaged in restructuring, as defined by the Secretary. For purposes of this subsection, the term "restructuring" includes an employee ownership plan or an employee-shipper ownership plan.

(d) Interest rate; date of maturity; other terms and conditions

A certificate under this chapter shall bear interest at such per annum rate as the Secretary deems reasonable, taking into account the range of interest rates prevailing in the private market for similar loans and the risks assumed by the Federal Government; nor may its maturity date, including all extensions and renewals thereof, be later than fifteen years from the date of original issuance. The Secretary may prescribe such other terms and conditions as he deems appropriate. In each case, the Secretary shall consider the feasibility of requiring the railroad to dispose of nonrailroad assets as a condition to a guarantee.

(e) Maximum aggregate principal amount outstanding

At any one time the outstanding aggregate principal amount of all certificates guaranteed under this chapter shall not exceed \$200,000,000.

(f) Rules and regulations

The Secretary shall issue such rules and regulations as are appropriate to carry out the authority granted by this chapter.
