§ 2. Jurisdiction of Commission; liability of principal for act of agent; Commodity Futures Trading Commission; transaction in interstate commerce

(a) Jurisdiction of Commission; Commodity Futures Trading Commission

(1) Jurisdiction of Commission

(A) In general

The Commission shall have exclusive jurisdiction, except to the extent otherwise pro-

vided in subparagraphs (C) and (D) of this paragraph and subsections (c) through (i) of this section, with respect to accounts, agreements (including any transaction which is of the character of, or is commonly known to the trade as, an “option”, “privilege”, “indemnity”, “bid”, “offer”, “put”, “call”, “advance guaranty”, or “decline guaranty”), and transactions involving contracts of sale of a commodity for future delivery, traded or executed on a contract market designated or derivatives transaction execution facility registered pursuant to section 7 or 7a of this title or any other board of trade, exchange, or market, and transactions subject to regulation by the Commission pursuant to section 23 of this title. Except as hereinabove provided, nothing contained in this section shall (I) supersede or limit the jurisdiction at any time conferred on the Securities and Exchange Commission or other regulatory authorities under the laws of the United States or of any State, or (II) restrict the Securities and Exchange Commission and such other authorities from carrying out their duties and responsibilities in accordance with such laws. Nothing in this section shall supersede or limit the jurisdiction conferred on courts of the United States or any State.

(B) Liability of principal for act of agent

The act, omission, or failure of any official, agent, or other person acting for any individual, association, partnership, corporation, or trust within the scope of his employment or office shall be deemed the act, omission, or failure of such individual, association, partnership, corporation, or trust, as well as of such official, agent, or other person.

(C) Designation of boards of trade as contract markets; contracts for future delivery; security futures products; filing with Board of Governors of Federal Reserve System; judicial review

Notwithstanding any other provision of law—

(i) This chapter shall not apply to and the Commission shall have no jurisdiction to designate a board of trade as a contract market for any transaction whereby any party to such transaction acquires any put, call, or other option on one or more securities (as defined in section 77b(1)¹ of title 15 or section 3(a)(10) of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(10)] on January 11, 1983), including any group or index of such securities, or any interest therein or based on the value thereof.

(ii) This chapter shall apply to and the Commission shall have exclusive jurisdiction with respect to accounts, agreements (including any transaction which is of the character of, or is commonly known to the trade as, an “option”, “privilege”, “indemnity”, “bid”, “offer”, “put”, “call”, “advance guaranty”, or “decline guaranty”) and transactions involving, and

may designate a board of trade as a contract market in, or register a derivatives transaction execution facility that trades or executes, contracts of sale (or options on such contracts) for future delivery of a group or index of securities (or any interest therein or based upon the value thereof): *Provided, however,* That no board of trade shall be designated as a contract market with respect to any such contracts of sale (or options on such contracts) for future delivery, and no derivatives transaction execution facility shall trade or execute such contracts of sale (or options on such contracts) for future delivery, unless the board of trade or the derivatives transaction execution facility, and the applicable contract, meet the following minimum requirements:

(I) Settlement of or delivery on such contract (or option on such contract) shall be effected in cash or by means other than the transfer or receipt of any security, except an exempted security under section 77c of title 15 or section 3(a)(12) of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(12)] as in effect on January 11, 1983, (other than any municipal security, as defined in section 3(a)(29) of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(29)] on January 11, 1983);

(II) Trading in such contract (or option on such contract) shall not be readily susceptible to manipulation of the price of such contract (or option on such contract), nor to causing or being used in the manipulation of the price of any underlying security, option on such security or option on a group or index including such securities; and

(III) Such group or index of securities shall not constitute a narrow-based security index.

(iii) If, in its discretion, the Commission determines that a stock index futures contract, notwithstanding its conformance with the requirements in clause (ii) of this subparagraph, can reasonably be used as a surrogate for trading a security (including a security futures product), it may, by order, require such contract and any option thereon be traded and regulated as security futures products as defined in section 3(a)(56) of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(56)] and section 1a of this title subject to all rules and regulations applicable to security futures products under this chapter and the securities laws as defined in section 3(a)(47) of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(47)].

(iv) No person shall offer to enter into, enter into, or confirm the execution of any contract of sale (or option on such contract) for future delivery of any security, or interest therein or based on the value thereof, except an exempted security under or² section 3(a)(12) of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(12)]

as in effect on January 11, 1983 (other than any municipal security as defined in section 3(a)(29) of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(29)] on January 11, 1983), or except as provided in clause (ii) of this subparagraph or subparagraph (D), any group or index of such securities or any interest therein or based on the value thereof.

(v)(I) Notwithstanding any other provision of this chapter, any contract market in a stock index futures contract (or option thereon) other than a security futures product, or any derivatives transaction execution facility on which such contract or option is traded, shall file with the Board of Governors of the Federal Reserve System any rule establishing or changing the levels of margin (initial and maintenance) for such stock index futures contract (or option thereon) other than security futures products.

(II) The Board may at any time request any contract market or derivatives transaction execution facility to set the margin for any stock index futures contract (or option thereon), other than for any security futures product, at such levels as the Board in its judgment determines are appropriate to preserve the financial integrity of the contract market or derivatives transaction execution facility, or its clearing system, or to prevent systemic risk. If the contract market or derivatives transaction execution facility fails to do so within the time specified by the Board in its request, the Board may direct the contract market or derivatives transaction execution facility to alter or supplement the rules of the contract market or derivatives transaction execution facility as specified in the request.

(III) Subject to such conditions as the Board may determine, the Board may delegate any or all of its authority, relating to margin for any stock index futures contract (or option thereon), other than security futures products, under this clause to the Commission.

(IV) It shall be unlawful for any futures commission merchant to, directly or indirectly, extend or maintain credit to or for, or collect margin from any customer on any security futures product unless such activities comply with the regulations prescribed pursuant to section 7(c)(2)(B) of the Securities Exchange Act of 1934 [15 U.S.C. 78g(c)(2)(B)].

(V) Nothing in this clause shall supersede or limit the authority granted to the Commission in section 12a(9) of this title to direct a contract market or registered derivatives transaction execution facility, on finding an emergency to exist, to raise temporary margin levels on any futures contract, or option on the contract covered by this clause, or on any security futures product.

(VI) Any action taken by the Board, or by the Commission acting under the dele-

gation of authority under subclause III,³ under this clause directing a contract market to alter or supplement a contract market rule shall be subject to review only in the Court of Appeals where the party seeking review resides or has its principal place of business, or in the United States Court of Appeals for the District of Columbia Circuit. The review shall be based on the examination of all information before the Board or the Commission, as the case may be, at the time the determination was made. The court reviewing the action of the Board or the Commission shall not enter a stay or order of mandamus unless the court has determined, after notice and a hearing before a panel of the court, that the agency action complained of was arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law.

(D) Jurisdiction and authority of Securities and Exchange Commission over security futures; requirements for security futures trading; periodic or special examinations by Commission representatives

(i) Notwithstanding any other provision of this chapter, the Securities and Exchange Commission shall have jurisdiction and authority over security futures as defined in section 3(a)(55) of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(55)], section 77b(a)(16) of title 15, section 80a-2(a)(52) of title 15, and section 80b-2(a)(27) of title 15, options on security futures, and persons effecting transactions in security futures and options thereon, and this chapter shall apply to and the Commission shall have jurisdiction with respect to accounts, agreements (including any transaction which is of the character of, or is commonly known to the trade as, an "option", "privilege", "indemnity", "bid", "offer", "put", "call", "advance guaranty", or "decline guaranty"), contracts, and transactions involving, and may designate a board of trade as a contract market in, or register a derivatives transaction execution facility that trades or executes, a security futures product as defined in section 1a of this title: *Provided, however*, That, except as provided in clause (vi) of this subparagraph, no board of trade shall be designated as a contract market with respect to, or registered as a derivatives transaction execution facility for, any such contracts of sale for future delivery unless the board of trade and the applicable contract meet the following criteria:

(I) Except as otherwise provided in a rule, regulation, or order issued pursuant to clause (v) of this subparagraph, any security underlying the security future, including each component security of a narrow-based security index, is registered pursuant to section 12 of the Securities Exchange Act of 1934 [15 U.S.C. 78l].

(II) If the security futures product is not cash settled, the board of trade on which the security futures product is traded has

Not more than three of the members of the Commission shall be members of the same political party. Each Commissioner shall hold office for a term of five years and until his successor is appointed and has qualified, except that he shall not so continue to serve beyond the expiration of the next session of Congress subsequent to the expiration of said fixed term of office, and except (i) any Commissioner appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of such term, and (ii) the terms of office of the Commissioners first taking office after the enactment of this paragraph shall expire as designated by the President at the time of nomination, one at the end of one year, one at the end of two years, one at the end of three years, one at the end of four years, and one at the end of five years.

The Chairman shall be the chief administrative officer of the Commission and shall preside at hearings before the Commission. At any time, the President may appoint, by and with the advice and consent of the Senate, a different Chairman, and the Commissioner previously appointed as Chairman may complete that Commissioner’s term as a Commissioner.

(3) Vacancies

A vacancy in the Commission shall not impair the right of the remaining Commissioners to exercise all the powers of the Commission.

(4) General Counsel

The Commission shall have a General Counsel, who shall be appointed by the Commission and serve at the pleasure of the Commission. The General Counsel shall report directly to the Commission and serve as its legal advisor. The Commission shall appoint such other attorneys as may be necessary, in the opinion of the Commission, to assist the General Counsel, represent the Commission in all disciplinary proceedings pending before it, represent the Commission in courts of law whenever appropriate, assist the Department of Justice in handling litigation concerning the Commission in courts of law, and perform such other legal duties and functions as the Commission may direct.

(5) Executive Director

The Commission shall have an Executive Director, who shall be appointed by the Commission and serve at the pleasure of the Commission. The Executive Director shall report directly to the Commission and perform such functions and duties as the Commission may prescribe.

(B) In carrying out any of his functions under the provisions of this paragraph, the Chairman shall be governed by general policies, plans, priorities, and budgets approved by the Commission and by such regulatory decisions, findings, and determination as the Commission may by law be authorized to make.

(B)(i) The Commission shall maintain communications with the Department of the Treasury, the Board of Governors of the Federal Reserve System, and the Securities and Exchange Commission for the purpose of keeping such agencies fully informed of Commission activities that relate to the responsibilities of those agencies, for the purpose of seeking the views of those agencies on such activities, and for considering the relationships between the volume and nature of investment and trading in contracts of sale of a commodity for future delivery and in securities and financial instruments under the jurisdiction of such agencies.

(ii) When a board of trade applies for designation or registration as a contract market or derivatives transaction execution facility involving transactions for future delivery of any security issued or guaranteed by the United States or any agency thereof, the Commission shall promptly deliver a copy of such application to the Department of the Treasury and the Board of Governors of the Federal Reserve System. The Commission may not designate or register a board of trade as a contract market or derivatives transaction execution facility based on such application until forty-five days after the date the Commission delivers the application to such agencies or until the Commission receives comments from each of such agencies on the application, whichever period is shorter. Any comments received by the Commission from such agencies shall be included as part of the public record of the Commission's designation proceeding. In designating, registering, or refusing, sus-

(iii) The provisions of this subparagraph shall not create any rights, liabilities, or obligations upon which actions may be brought against the Commission.

No officer or agency of the United States shall have any authority to require the Commission to submit its legislative recommendations, or testimony, or comments on legislation to any officer or agency of the United States for approval, comments, or review, prior to the submission of such recommendations, testimony, or comments to the Congress. In instances in which the Commission voluntarily seeks to obtain the comments or review of any officer or agency of the United States, the Commission shall include a description of such actions in its legislative recommendations, testimony, or comments on legislation which it transmits to the Congress.

For the purposes of this chapter (but not in any wise limiting the foregoing definition of interstate commerce) a transaction in respect to any article shall be considered to be in interstate commerce if such article is part of that current of commerce usual in the commodity trade whereby commodities and commodity products and by-products thereof are sent from one State, with the expectation that they will end their transit, after purchase, in another, including in addition to cases within the above general description, all cases where purchase or sale is either for shipment to another State, or for manufacture within the State and the shipment outside the State of the products resulting from such manufacture. Articles normally in such current of commerce shall not be considered out of such commerce through resort being had to any means or device intended to remove transactions in respect thereto from the provisions of this chapter.
