The aforesaid exchanges are authorized to be made without additional compensation by either party to the exchange when the properties to be exchanged are of approximately equal value. When, however, the properties are not of approximately equal value, as may be determined by the Secretary, an additional payment of funds shall be required by the Secretary or by the grantor of non-Federal properties, as the case may be, in order to make an equal exchange. If expedient and in the public interest to do so, he may assist in the removal of structures from property to be acquired hereunder through the exchange procedure, and he may cooperate with public or private agencies and persons in the securing of housing for the aforesaid grantors who may require new housing accommodations or facilities as a result of the land exchanges herein authorized.
