The Northern Fund and Southern Fund shall be invested in interest bearing accounts, bonds, securities, or other investments in order to achieve the highest annual yield consistent with protecting the principal of each Fund. Income from investments made pursuant to this paragraph shall be available until expended, without appropriation or fiscal year limitation, for programs and activities relating to salmon restoration and enhancement, salmon research, the conservation of salmon habitat, and implementation of the Pacific Salmon Treaty and related agreements. Amounts provided by grants under this subsection may be held in interest bearing accounts prior to the disbursement of such funds for program purposes, and any interest earned may be retained for program purposes without further appropriation. The Northern Fund and Southern Fund are subject to the laws governing Federal appropriations and funds and to unrestricted circulars of the Office of Management and Budget. Recipients of amounts from either Fund shall keep separate accounts and such records as are reasonably necessary to disclose the use of the funds as well as to facilitate effective audits.

(2) FUND MANAGEMENT.—

(A) As provided in the 1999 Pacific Salmon Treaty Agreement, amounts made available from the Northern Fund pursuant to paragraph (1) shall be administered by a Northern Fund Committee, which shall be comprised of three representatives of the Government of Canada, and three representatives of the United States. The three United States representatives shall be the United States Commissioner and Alternate Commissioner appointed (or designated) from a list submitted by the Governor of Alaska for appointment to the Pacific Salmon Commission and the Re-

(2) If the requests for orders in subparagraph (1)(A) are withdrawn after December 31, 1999, or if such orders are not entered by March 1, 2000, amounts in the Northern Fund and the Southern Fund shall be transferred to the general fund of the United States Treasury.

(3) During the term of the 1999 Pacific Salmon Treaty Agreement, the Secretary of Commerce shall determine whether Southern United States fisheries are likely to cause jeopardy to, or adversely modify designated critical habitat of,

any salmonid species listed under Public Law 93-205, as amended, before the Secretary of Commerce may initiate or reinstate consultation on Alaska fisheries under such Act.

(4) During the term of the 1999 Pacific Salmon Treaty Agreement, the Secretary of Commerce may not initiate or reinstate consultation on Alaska fisheries under section 7 of Public Law 93-205, as amended [16 U.S.C. 1536], until—
