(ii) Subject to the provisions of subparagraph (B), in the case of an express consignment carrier facility or centralized hub facility, \$.66 per individual airway bill or bill of lading.

(B)(i) Beginning in fiscal year 2004, the Secretary of the Treasury may adjust (not more than once per fiscal year) the amount described in subparagraph (A)(ii) to an amount that is not less than \$.35 and not more than \$1.00 per individual airway bill or bill of lading. The Sec-

retary shall provide notice in the Federal Register of a proposed adjustment under the preceding sentence and the reasons therefor and shall allow for public comment on the proposed adjustment.

(ii) Notwithstanding section 1451 of this title, the payment required by subparagraph (A)(ii) shall be the only payment required for reimbursement of the Customs Service in connection with the processing of an individual airway bill or bill of lading in accordance with such subparagraph and for providing services at express consignment carrier facilities or centralized hub facilities, except that the Customs Service may require such facilities to cover expenses of the Customs Service for adequate office space, equipment, furnishings, supplies, and security.

(iii)(I) The payment required by subparagraph (A)(ii) and clause (ii) of this subparagraph shall be paid on a quarterly basis by the carrier using the facility to the Customs Service in accordance with regulations prescribed by the Secretary of the Treasury.

(II) 50 percent of the amount of payments received under subparagraph (A)(ii) and clause (ii) of this subparagraph shall, in accordance with section 1524 of this title, be deposited in the Customs User Fee Account and shall be used to directly reimburse each appropriation for the amount paid out of that appropriation for the costs incurred in providing services to express consignment carrier facilities or centralized hub facilities. Amounts deposited in accordance with the preceding sentence shall be available until expended for the provision of customs services to express consignment carrier facilities or centralized hub facilities.

(III) Notwithstanding section 1524 of this title, the remaining 50 percent of the amount of payments received under subparagraph (A)(ii) and clause (ii) of this subparagraph shall be paid to the Secretary of the Treasury, which is in lieu of the payment of fees under subsection (a)(10) of this section.

(C) For purposes of this paragraph:

(i) The terms “centralized hub facility” and “express consignment carrier facility” have the respective meanings that are applied to such terms in part 128 of chapter I of title 19, Code of Federal Regulations. Nothing in this paragraph shall be construed as prohibiting the Secretary of the Treasury from processing merchandise that is informally entered or released at any centralized hub facility or express consignment carrier facility during the normal operating hours of the Customs Service, subject to reimbursement and payment under subparagraph (A).

(ii) The term “small airport or other facility” means any airport or facility to which section 58b of this title applies, if more than 25,000 informal entries were cleared through such airport or facility during the preceding fiscal year.

(10)(A) The fee charged under subsection (a)(9) or (10) with respect to goods of Canadian origin (as determined under section 202 of the United States-Canada Free-Trade Agreement Implementation Act of 1988) when the United States-Canada Free-Trade Agreement is in force shall be in accordance with article 403 of that Agreement.

(B) For goods qualifying under the rules of origin set out in section 3332 of this title, the fee under subsection (a)(9) or (10)—

(i) may not be charged with respect to goods that qualify to be marked as goods of Canada pursuant to Annex 311 of the North American Free Trade Agreement, for such time as Canada is a NAFTA country, as defined in section 3301(4) of this title; and

(ii) may not be increased after December 31, 1993, and may not be charged after June 29, 1999, with respect to goods that qualify to be marked as goods of Mexico pursuant to such Annex 311, for such time as Mexico is a NAFTA country.

Any service for which an exemption from such fee is provided by reason of this paragraph may not be funded with money contained in the Customs User Fee Account.

(11) No fee may be charged under subsection (a)(9) or (10) of this section with respect to products of Israel if an exemption with respect to the fee is implemented under section 112 of the Customs and Trade Act of 1990.

(i) in—

(I) paying overtime compensation under section 267(a) of this title,

(II) paying premium pay under section 267(b) of this title, but the amount for which reimbursement may be made under this subclause may not, for any fiscal year, exceed the difference between the total cost of all the premium pay for such year calculated under section 267(b) of this title and the cost of the night and holiday premium pay that the Customs Service would have incurred for the same inspectional work on the day before August 10, 1993,

(III) paying agency contributions to the Civil Service Retirement and Disability Fund to match deductions from the overtime compensation paid under subclause (I),

(IV) providing all preclearance services for which the recipients of such services are not required to reimburse the Secretary of the Treasury, and

(V) paying foreign language proficiency awards under section 267a of this title,

(ii) to the extent funds remain available after making reimbursements under clause (i), in providing salaries for full-time and part-time inspectional personnel and equipment that enhance customs services for those persons or entities that are required to pay fees under paragraphs (1) through (8) of subsection (a) of this section (distributed on a basis proportionate to the fees collected under paragraphs (1) through (8) of subsection (a) of this section), and

² So in original. Probably should be “known”.

(iii) to the extent funds remain available after making reimbursements under clause (ii), in providing salaries for up to 50 full-time equivalent inspectional positions to provide preclearance services.

The transfer of funds required under subparagraph (C)(iii) has priority over reimbursements under this subparagraph to carry out subclauses (II), (III), (IV), and (V) of clause (i). Funds described in clause (ii) shall only be available to reimburse costs in excess of the highest amount appropriated for such costs during the period beginning with fiscal year 1990 and ending with the current fiscal year.

(B) Reimbursement of appropriations under this paragraph—

(i) shall be subject to apportionment or similar administrative practices;

(ii) shall be made at least quarterly; and

(iii) to the extent necessary, may be made on the basis of estimates made by the Secretary of the Treasury and adjustments shall be made in subsequent reimbursements to the extent that the estimates were in excess of, or less than, the amounts required to be reimbursed.

(C)(i) For fiscal year 1991 and subsequent fiscal years, the amount required to reimburse costs described in subparagraph (A)(i) shall be projected from actual requirements, and only the excess of collections over such projected costs for such fiscal year shall be used as provided in subparagraph (A)(ii).

(ii) The excess of collections over inspectional overtime and preclearance costs (under subparagraph (A)(i)) reimbursed for fiscal years 1989 and 1990 shall be available in fiscal year 1991 and subsequent fiscal years for the purposes described in subparagraph (A)(ii), except that \$30,000,000 of such excess shall remain without fiscal year limitation in a contingency fund and, in any fiscal year in which receipts are insufficient to cover the costs described in subparagraph (A)(i) and (ii), shall be used for—

(I) the costs of providing the services described in subparagraph (A)(i), and

(II) after the costs described in subclause (I) are paid, the costs of providing the personnel and equipment described in subparagraph (A)(ii) at the preceding fiscal year level.

(iii) For each fiscal year, the Secretary of the Treasury shall calculate the difference between—

(I) the estimated cost for overtime compensation that would have been incurred during that fiscal year for inspectional services if sections 261 and 267 of this title, as in effect before the enactment of section 13811 of the Omnibus Budget Reconciliation Act of 1993, had governed such costs, and

(II) the actual cost for overtime compensation, premium pay, and agency retirement contributions that is incurred during that fiscal year in regard to inspectional services under section 267 of this title, as amended by section 13811 of the Omnibus Budget Reconciliation Act of 1993, and under section 8331(3) of title 5, as amended by section 13812(a)(1) of such Act of 1993, plus the actual cost that is incurred during that fiscal year for foreign

language proficiency awards under section 267a of this title,

and shall transfer from the Customs User Fee Account to the General Fund of the Treasury an amount equal to the difference calculated under this clause, or \$18,000,000, whichever amount is less. Transfers shall be made under this clause at least quarterly and on the basis of estimates to the same extent as are reimbursements under subparagraph (B)(iii).

(D) At the close of each fiscal year, the Secretary of the Treasury shall submit a report to the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives summarizing the expenditures, on a port-by-port basis, for which reimbursement has been provided under subparagraph (A)(ii).

(4) At the close of fiscal year 1988 and each even-numbered fiscal year occurring thereafter, the Secretary of the Treasury shall submit a report to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate regarding how the fees imposed under subsection (a) of this section should be adjusted in order that the balance of the Customs User Fee Account approximates a zero balance. Before making recommendations regarding any such adjustments, the Secretary of the Treasury shall provide adequate opportunity for public comment. The recommendations shall, as precisely as possible, propose fees which reflect the actual costs to the United States Government for the commercial services provided by the United States Customs Service.

(5)(A) There is created within the general fund of the Treasury a separate account that shall be known as the "Customs Commercial and Homeland Security Automation Account". In each of fiscal years 2003, 2004, and 2005 there shall be deposited into the Account from fees collected under subsection (a)(9)(A) of this section, \$350,000,000.

(B) There is authorized to be appropriated from the Account in fiscal years 2003 through 2005 such amounts as are available in that Account for the development, establishment, and implementation of the Automated Commercial Environment computer system for the processing of merchandise that is entered or released and for other purposes related to the functions of the Department of Homeland Security. Amounts appropriated pursuant to this subparagraph are authorized to remain available until expended.

(C) In adjusting the fee imposed by subsection (a)(9)(A) of this section for fiscal year 2006, the Secretary of the Treasury shall reduce the amount estimated to be collected in fiscal year 2006 by the amount by which total fees deposited to the Account during fiscal years 2003, 2004, and 2005 exceed total appropriations from that Account.

(6) Of the amounts collected in fiscal year 1999 under paragraphs (9) and (10) of subsection (a) of this section, \$50,000,000 shall be available to the Customs Service, subject to appropriations Acts, for automated commercial systems. Amounts made available under this paragraph shall remain available until expended.

(g) Regulations and enforcement

(1) The Secretary of the Treasury may prescribe such rules and regulations as may be necessary to carry out the provisions of this section. Regulations issued by the Secretary of the Treasury under this subsection with respect to the collection of the fees charged under subsection (a)(5) of this section and the remittance of such fees to the Treasury of the United States shall be consistent with the regulations issued by the Secretary of the Treasury for the collection and remittance of the taxes imposed by subchapter C of chapter 33 of title 26, but only to the extent the regulations issued with respect to such taxes do not conflict with the provisions of this section.

(2) Except to the extent otherwise provided in regulations, all administrative and enforcement provisions of customs laws and regulations, other than those laws and regulations relating to drawback, shall apply with respect to any fee prescribed under subsection (a) of this section, and with respect to persons liable therefor, as if such fee is a customs duty. For purposes of the preceding sentence, any penalty expressed in terms of a relationship to the amount of the duty shall be treated as not less than the amount which bears a similar relationship to the amount of the fee assessed. For purposes of determining the jurisdiction of any court of the United States or any agency of the United States, any fee prescribed under subsection (a) of this section shall be treated as if such fee is a customs duty.

(h) Omitted**(i) Effect on other authority**

Except with respect to customs services for which fees are imposed under subsection (a) of this section, nothing in this section shall be construed as affecting the authority of the Secretary of the Treasury to charge fees under section 58a of this title.

(j) Effective dates

(1) Except as otherwise provided in this subsection, the provisions of this section, and the amendments and repeals made by this section, shall apply with respect to customs services rendered after the date that is 90 days after April 7, 1986.

(2) Fees may be charged under subsection (a)(5) of this section only with respect to customs services rendered in regard to arriving passengers using transportation for which documents or tickets were issued after the date that is 90 days after April 7, 1986.

(3) Fees may not be charged under subsection (a) of this section after September 30, 2003.

(k) Advisory committee

The Commissioner of Customs shall establish an advisory committee whose membership shall consist of representatives from the airline, cruise ship, and other transportation industries who may be subject to fees under subsection (a) of this section. The advisory committee shall not be subject to termination under section 14 of the Federal Advisory Committee Act. The advisory committee shall meet on a periodic basis and shall advise the Commissioner on issues re-

lated to the performance of the inspectional services of the United States Customs Service. Such advice shall include, but not be limited to, such issues as the time periods during which such services should be performed, the proper number and deployment of inspection officers, the level of fees, and the appropriateness of any proposed fee. The Commissioner shall give consideration to the views of the advisory committee in the exercise of his or her duties.
