Reference to the exception in section 307(a) is omitted as unnecessary because a suspension of section 307(e) of this title, or of section 8365 or 8366 of Title 10, will in effect suspend that exception so far as it refers to the suspended section. A reference to the remainder of section 307(a) is omitted as unnecessary because the general rule that it states exists independently of that part of the source law for section 307(a) that is suspendible under this section. A reference to section 307(f) is omitted as unnecessary because a suspension of section 307(e) will in effect suspend section 307(f) so far as it applies to section 307(e). 50:1199 (2d sentence) is omitted as inapplicable to the National Guard.

The appropriation shall be reimbursed in full, out of appropriations available for paying those costs, for the amounts paid. Appropriations available for paying those costs shall be available for making the reimbursements.

(C) To ensure that the use of units and personnel of the National Guard of a State pursuant to a State drug interdiction and counter-drug activities plan does not degrade the training and readiness of such units and personnel, the following requirements shall apply in determining the drug interdiction and counter-drug activities that units and personnel of the National Guard of a State may perform:

(i) The performance of the activities may not adversely affect the quality of that training or otherwise interfere with the ability of a member or unit of the National Guard to perform the military functions of the member or unit.

(ii) National Guard personnel will not degrade their military skills as a result of performing the activities.

(iii) The performance of the activities will not result in a significant increase in the cost of training.

(iv) In the case of drug interdiction and counter-drug activities performed by a unit organized to serve as a unit, the activities will support valid unit training requirements.

(4) certify that any engineer-type activities (as defined by the Secretary of Defense) under the plan will be performed only by units and members of the National Guard;

(5) include a certification by the Attorney General of the State (or, in the case of a State with no position of Attorney General, a civilian official of the State equivalent to a State attorney general) that the use of the National Guard of the State for the activities proposed under the plan is authorized by, and is consistent with, State law; and

(6) certify that the Governor of the State or a civilian law enforcement official of the State designated by the Governor has determined that any activities included in the plan that are carried out in conjunction with Federal law enforcement agencies serve a State law enforcement purpose.
