

section 2905 of this title, the Secretary may take interim actions to carry out an estuary habitat restoration activity.

(2) Federal share

The Federal share of the cost of an estuary habitat restoration activity before the completion of the estuary habitat restoration strategy shall not exceed 25 percent of such cost.

(f) Cooperation of non-Federal interests

(1) In general

The Secretary may not carry out an estuary habitat restoration project until a non-Federal interest has entered into a written agreement with the Secretary in which the non-Federal interest agrees to—

(A) provide all lands, easements, rights-of-way, and relocations and any other elements the Secretary determines appropriate under subsection (d)(3) of this section; and

(B) provide for maintenance and monitoring of the project.

(2) Nongovernmental organizations

Notwithstanding section 1962d-5b(b) of title 42, for any project to be undertaken under this chapter, the Secretary, in consultation and coordination with appropriate State and local governmental agencies and Indian tribes, may allow a nongovernmental organization to serve as the non-Federal interest for the project.

(g) Delegation of project implementation

In carrying out this chapter, the Secretary may delegate project implementation to another Federal department or agency on a reimbursable basis if the Secretary, upon the recommendation of the Council, determines such delegation is appropriate.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 2902, 2904 of this title.

§ 2904. Establishment of Estuary Habitat Restoration Council

(a) Council

There is established a council to be known as the “Estuary Habitat Restoration Council”.

(b) Duties

The Council shall be responsible for—

(1) soliciting, reviewing, and evaluating project proposals and developing recommendations concerning such proposals based on the factors specified in section 2903(c)(3) of this title;

(2) submitting to the Secretary a list of recommended projects, including a recommended priority order and any recommendation as to whether a project should be carried out by the Secretary or by another Federal department or agency under section 2903(g) of this title;

(3) developing and transmitting to Congress a national strategy for restoration of estuary habitat;

(4) periodically reviewing the effectiveness of the national strategy in meeting the purposes of this chapter and, as necessary, updating the national strategy; and

(5) providing advice on the development of the database, monitoring standards, and report required under sections 2906 and 2907 of this title.

(c) Membership

The Council shall be composed of the following members:

(1) The Secretary (or the Secretary’s designee).

(2) The Under Secretary for Oceans and Atmosphere of the Department of Commerce (or the Under Secretary’s designee).

(3) The Administrator of the Environmental Protection Agency (or the Administrator’s designee).

(4) The Secretary of the Interior, acting through the Director of the United States Fish and Wildlife Service (or such Secretary’s designee).

(5) The Secretary of Agriculture (or such Secretary’s designee).

(6) The head of any other Federal agency designated by the President to serve as an ex officio member of the Council.

(d) Prohibition of compensation

Members of the Council may not receive compensation for their service as members of the Council.

(e) Chairperson

The chairperson shall be elected by the Council from among its members for a 3-year term, except that the first elected chairperson may serve a term of fewer than 3 years.

(f) Convening of Council

(1) First meeting

The Secretary shall convene the first meeting of the Council not later than 60 days after November 7, 2000, for the purpose of electing a chairperson.

(2) Additional meetings

The chairperson shall convene additional meetings of the Council as often as appropriate to ensure that this chapter is fully carried out, but not less often than annually.

(g) Council procedures

The Council shall establish procedures for voting, the conduct of meetings, and other matters, as necessary.

(h) Public participation

Meetings of the Council shall be open to the public. The Council shall provide notice to the public of such meetings.

(i) Advice

The Council shall consult with persons with recognized scientific expertise in estuary or estuary habitat restoration, representatives of State agencies, local or regional government agencies, and nongovernmental organizations with expertise in estuary or estuary habitat restoration, and representatives of Indian tribes, agricultural interests, fishing interests, and other estuary users—

(1) to assist the Council in the development of the estuary habitat restoration strategy to be developed under section 2905 of this title; and

(2) to provide advice and recommendations to the Council on proposed estuary habitat restoration projects, including advice on the scientific merit, technical merit, and feasibility of a project.

(Pub. L. 106-457, title I, §105, Nov. 7, 2000, 114 Stat. 1962.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 2902, 2903 of this title.

§ 2905. Estuary habitat restoration strategy

(a) In general

Not later than 1 year after November 7, 2000, the Council,¹ shall develop an estuary habitat restoration strategy designed to ensure a comprehensive approach to maximize benefits derived from estuary habitat restoration projects and to foster the coordination of Federal and non-Federal activities related to restoration of estuary habitat.

(b) Goal

The goal of the strategy shall be the restoration of 1,000,000 acres of estuary habitat by the year 2010.

(c) Integration of estuary habitat restoration plans, programs, and partnerships

In developing the estuary habitat restoration strategy, the Council shall—

(1) conduct a review of estuary management or habitat restoration plans and Federal programs established under other laws that authorize funding for estuary habitat restoration activities; and

(2) ensure that the estuary habitat restoration strategy is developed in a manner that is consistent with the estuary management or habitat restoration plans.

(d) Elements of the strategy

The estuary habitat restoration strategy shall include proposals, methods, and guidance on—

(1) maximizing the incentives for the creation of new public-private partnerships to carry out estuary habitat restoration projects and the use of Federal resources to encourage increased private sector involvement in estuary habitat restoration activities;

(2) ensuring that the estuary habitat restoration strategy will be implemented in a manner that is consistent with the estuary management or habitat restoration plans;

(3) promoting estuary habitat restoration projects to—

(A) provide healthy ecosystems in order to support—

(i) wildlife, including endangered and threatened species, migratory birds, and resident species of an estuary watershed; and

(ii) fish and shellfish, including commercial and recreational fisheries;

(B) improve surface and ground water quality and quantity, and flood control;

(C) provide outdoor recreation; and

(D) address other areas of concern that the Council determines to be appropriate for consideration;

(4) addressing the estimated historic losses, estimated current rate of loss, and extent of the threat of future loss or degradation of each type of estuary habitat;

(5) measuring the rate of change for each type of estuary habitat;

(6) selecting a balance of smaller and larger estuary habitat restoration projects; and

(7) ensuring equitable geographic distribution of projects funded under this chapter.

(e) Public review and comment

Before the Council adopts a final or revised estuary habitat restoration strategy, the Secretary shall publish in the Federal Register a draft of the estuary habitat restoration strategy and provide an opportunity for public review and comment.

(f) Periodic revision

Using data and information developed through project monitoring and management, and other relevant information, the Council may periodically review and update, as necessary, the estuary habitat restoration strategy.

(Pub. L. 106-457, title I, §106, Nov. 7, 2000, 114 Stat. 1963.)

SECTION REFERRED TO IN OTHER SECTIONS

§ 2906. Monitoring of estuary habitat restoration projects

(a) Under Secretary

In this section, the term “Under Secretary” means the Under Secretary for Oceans and Atmosphere of the Department of Commerce.

(b) Database of restoration project information

The Under Secretary, in consultation with the Council, shall develop and maintain an appropriate database of information concerning estuary habitat restoration projects carried out under this chapter, including information on project techniques, project completion, monitoring data, and other relevant information.

(c) Monitoring data standards

The Under Secretary, in consultation with the Council, shall develop standard data formats for monitoring projects, along with requirements for types of data collected and frequency of monitoring.

(d) Coordination of data

The Under Secretary shall compile information that pertains to estuary habitat restoration projects from other Federal, State, and local sources and that meets the quality control requirements and data standards established under this section.

(e) Use of existing programs

The Under Secretary shall use existing programs within the National Oceanic and Atmos-
