(a) Providing for the establishment, issuance, effectuation, and administration of appropriate plans or projects for the advertising and sales promotion of cotton and its products and for the disbursement of necessary funds for such purposes: *Provided, however*, That any such plan or project shall be directed toward increasing the general demand for cotton or its products but no reference to a private brand or trade name shall be made if the Secretary determines that such reference will result in undue discrimination against the cotton products of other persons: *And provided further*, That no such advertising or sales promotion programs shall make use of false or unwarranted claims in behalf of cotton or its products or false or unwarranted statements with respect to the quality, value, or use of any competing product.

(b) Providing for establishing and carrying on research and development projects and studies with respect to the production, ginning, processing, distribution, or utilization of cotton and its products, to the end that the marketing and utilization of cotton may be encouraged, expanded, improved, or made more efficient, and for the disbursement of necessary funds for such purposes.

Any such officer or employee violating the provisions of this subsection shall upon conviction be subject to a fine of not more than \$1,000 or to imprisonment for not more than one year, or to both, and shall be removed from office.
