SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 2106, 2116 of this title.

**§ 2106. Required terms and conditions in orders**

Orders issued pursuant to this chapter shall contain the following terms and conditions:

(a) Providing for the establishment and selection by the Secretary, of a Cotton Board, and defining its powers and duties, which shall include only the powers:

- (1) To administer such order in accordance with its terms and provisions;
- (2) To make rules and regulations to effectuate the terms and provisions of such order, including the designation of the person responsible for collecting the assessment;
- (3) To receive, investigate, and report to the Secretary complaints of violations of such order; and
- (4) To recommend to the Secretary amendments to such order.

(b) Providing that the Cotton Board shall be composed of (1) representatives of cotton producers selected by the Secretary, from nominations submitted by eligible producer organizations within a cotton-producing State, as certified pursuant to section 2113 of this title, or, if the Secretary determines that a substantial number of producers are not members of or their interests are not represented by any such eligible producer organizations, from nominations made by producers in the manner authorized by the Secretary, so that the representation of cotton producers on the Board for each cotton-producing State shall reflect, to the extent practicable, the proportion which that State's marketings of cotton bears to the total marketings of cotton in the United States, and (2) when imports of cotton are subject to an order, an appropriate number of representatives, as determined by the Secretary, of importers of cotton on

which assessments are paid under this chapter. Such importer representatives shall be appointed by the Secretary after consultation with organizations representing importers, as determined by the Secretary. Each cotton-producing State shall be entitled to at least one representative on the Cotton Board.

(c) Providing that the Cotton Board shall, subject to the provisions of subsection (g) of this section, develop and submit to the Secretary for his approval any advertising or sales promotion or research and development plans or projects, and that any such plan or project must be approved by the Secretary before becoming effective.

(d) Providing that the Cotton Board shall, subject to the provisions of subsection (g) of this section, submit to the Secretary for his approval, budgets on a fiscal period basis of its anticipated expenses and disbursements in the administration of the order, including probable costs of advertising and promotion and research and development projects.

(e)(1) Providing that—

(A) the producer or other person for whom the cotton is being handled shall pay to the handler of such cotton designated by the Cotton Board pursuant to regulations issued under the order;

(B) such handler shall collect from the producer or other person for whom the cotton, including cotton owned by the handler, is being handled, and shall pay to the Cotton Board; and

(C) each importer shall pay to the Cotton Board on imports of cotton,

an assessment prescribed by the order, on the basis of bales of cotton handled or imported. The assessment shall cover such expenses and expenditures, including provision for a reasonable reserve, as the Secretary finds are reasonable and likely to be incurred by the Cotton Board under the order, during any period specified by the Secretary.

(2) The order shall provide for reimbursing the Secretary—

(A) for expenses not to exceed \$300,000 incurred by the Secretary in connection with any referendum conducted under section 2107 of this title; and

(B) for administrative costs incurred by the Secretary for supervisory work up to 5 employee years after an order or amendment to an order has been issued and made effective.

There shall also be included in the order a provision for reimbursing any agency of the Federal Government that assists in administering the import provisions of the order for a reasonable amount of the expenses incurred by that agency in connection therewith.

(3) To facilitate the collection and payment of such assessments, the Cotton Board may designate different handlers or importers or classes of handlers or importers to recognize differences in marketing practices or procedures utilized in any State or area, except that no more than one such assessment shall be made on any bale of cotton, unless specifically authorized by provisions of this subsection.

(4) The rate of assessment prescribed by the order shall be \$1 per bale of cotton handled, sup-

plemented by an additional per bale amount not to exceed 1 percent of the value of cotton as determined by the Cotton Board and the Secretary. The rate of assessment on imports of cotton shall be determined in the same manner as the rate of assessment per bale of cotton handled, and the value to be placed on cotton imports for the purpose of determining the assessment on such imports shall be established by the Secretary in a fair and equitable manner. The Secretary shall establish procedures to ensure that the upland cotton content of imported products is not subject to more than one assessment under this chapter.

(5) No authority under this chapter may be used as a basis to advertise or solicit votes in any referendum relating to the rate of assessment with funds collected under this chapter.

(6) The Secretary may maintain a suit against any person subject to the order for the collection of such assessment, and the several district courts of the United States are hereby vested with jurisdiction to entertain such suits regardless of the amount in controversy. The remedies provided in this section shall be in addition to, and not exclusive of, the remedies provided for elsewhere in this chapter or now or hereafter existing at law or in equity.

(7) The provisions of this subsection and subsection (b) of this section shall not apply to cottonseed and the products derived from cottonseed whether domestically produced or imported.

(8) The provisions of this subsection relating to importers and assessments on imports of cotton shall be effective only if approved in a referendum as provided in section 2107(b) or 2107(c) of this title.

(f) Providing that the Cotton Board shall maintain such books and records and prepare and submit such reports from time to time, to the Secretary as he may prescribe, and for appropriate accounting by the Cotton Board with respect to the receipt and disbursement of all funds entrusted to it.

(g) Providing that the Cotton Board, with the approval of the Secretary, shall enter into contracts or agreements for the development and carrying out of the activities authorized under the order pursuant to sections 2105(a) and (b) of this title and for the payment of the costs thereof with funds collected pursuant to the order, with an organization or association whose governing body consists of cotton producers selected by the cotton producer organizations certified by the Secretary under section 2113 of this title, in such manner that the producers of each cotton-producing State will, to the extent practicable, have representation on the governing body of such organization in the proportion that the cotton marketed by the producers of such State bears to the total cotton marketed by the producers of all cotton-producing States, subject to adjustments to reflect lack of participation in the program by reason of refunds under section 2110 of this title. Any such contract or agreement shall provide that such contracting organization or association shall develop and submit annually to the Cotton Board, for the purpose of review and making recommendations to the Secretary, a program of research, adver-

tising, and sales promotion projects, together with a budget, or budgets, which shall show the estimated cost to be incurred for such projects, and that any such projects shall become effective upon approval by the Secretary. Any such contract or agreement shall also provide that the contracting organization shall keep accurate records of all its transactions and make an annual report to the Cotton Board of activities carried out and an accounting for funds received and expended, and such other reports as the Secretary may require.

(h) Providing that no funds collected by the Cotton Board under the order shall in any manner be used for the purpose of influencing governmental policy or action, except as provided by subsection (a)(4) of this section.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 2105, 2113, 2116 of this title.

**§ 2107. Referenda**

**(a) Referendum and cotton producer approval of orders**

The Secretary shall conduct a referendum among persons who, during a representative period determined by the Secretary, have been engaged in the production of cotton for the purpose of ascertaining whether the issuance of an order is approved or favored by producers. No order issued pursuant to this chapter shall be effective unless the Secretary determines that the issuance of such order is approved or favored by not less than two-thirds of the producers voting in such referendum, or by the producers of not less than two-thirds of the cotton produced during the representative period by producers voting in such referendum and by not less than a majority of the producers voting in such referendum.

**(b) Referendum on proposed amendment to order implementing provisions of 1990 amendments to this chapter**

(1) Notwithstanding the provisions of sections 2103 and 2104 of this title, not later than 150 days after the date of enactment of the Cotton Research and Promotion Act Amendments of 1990 [November 28, 1990], and after notice and opportunity for public comment, the Secretary shall issue a proposed amendment to the order implementing the provisions of such Act, which shall become effective as provided in paragraph (2).

(2) Notwithstanding the provisions of subsection (a) of this section, the Secretary shall, within a period not to exceed 8 months after November 28, 1990, conduct a referendum among persons who have been cotton producers during a representative period, as determined by the Secretary, and persons who are importers of cotton and who, during a 12-month period ending not later than 90 days prior to the conduct of the referendum under this section imported a quantity of cotton in excess of the de minimis quantity (if any) established by the Secretary under section 2116(c)(2) of this title, for the purpose of ascertaining if a majority of those voting approve the proposed amendment to the order issued by the Secretary under paragraph (1). The Secretary shall announce the results of the referendum within 30 days after the date of such referendum. If the amendment is approved in the referendum, within a period not to exceed 90 days from the date of announcement of the results of such referendum, the Secretary shall publish the amendment to the order and regulations implementing the amendment provided for in this subsection.

**(c) Future referendums every five years or by request of cotton producers and importers**

(1) Notwithstanding the provisions of sections 2103 and 2104 of this title, once every five years after the date of the referendum provided for under subsection (b) of this section, the Sec-

retary shall conduct a review to ascertain whether a referendum is needed to determine whether producers and importers favor continuation of the amendment to the order provided for in the Cotton Research and Promotion Act Amendments of 1990 if such amendment is then in effect or, if such an amendment is not in effect, whether they favor approval of such amendment. The Secretary shall make a public announcement of the results of the review within 60 days after each fifth anniversary date of the referendum provided for under subsection (b) of this section. If the Secretary determines to provide for such a referendum, the Secretary shall conduct the referendum within 12 months after a public announcement of the determination to conduct the referendum.

(2) If the Secretary does not provide for such a referendum on the Secretary's own initiative, the Secretary shall conduct such a referendum upon the request of 10 percent or more of the number of cotton producers and importers voting in the most recent referendum, except that, in counting such requests for a referendum, not more than 20 percent of such requests may be from producers from any one State or importers of cotton. Producers and importers may sign up to request such a referendum at the county office of the Agricultural Stabilization and Conservation Service, or county extension agent, or by mailing such a request to the Secretary, as prescribed in regulations. The sign-up period shall be for a period not to exceed 90 days, shall commence 60 days after the Secretary makes a public announcement of a determination not to provide for a referendum on the Secretary's own initiative, and shall be publicized by the Secretary and the Cotton Board immediately after such public announcement. The referendum shall be held within 12 months after the end of the sign-up period, if requested by the requisite number of persons.

(3) The amendment to the order provided for in this subsection shall not be effective if it is disapproved by a majority of cotton producers and importers of cotton voting in the referendum.
