(b) Composition of Board

Providing that the Egg Board, and alternates therefor, shall be composed of egg producers or representatives of egg producers appointed by the Secretary from nominations submitted by eligible organizations, associations, or cooperatives, and certified pursuant to section 2715 of this title, or, if the Secretary determines that a substantial number of egg producers are not members of or their interests are not represented by any such eligible organizations, associations or cooperatives, then from nominations made by such egg producers in the manner authorized by the Secretary, so that the representation of egg producers on the Board shall reflect, to the extent practicable, the proportion of eggs produced in each geographic area of the United States as defined by the Secretary: *Provided, however,* That each such egg producing geographic area shall be entitled to at least one representative on the Egg Board: *Provided further,* That two members of the Egg Board, and alternates therefor, shall be consumers or representatives of consumers, if approved by egg producers voting in a referendum on an amendment to the order. Such consumer appointments shall be made by the Secretary from nominations submitted by eligible organizations. If the Secretary determines that such nominees are not members of either a bona fide consumer organization or do not represent consumers, the Secretary may appoint such consumers or representatives of consumers as deemed necessary to properly represent the interest of consumers. Consumer members of the Egg Board shall be voting members.

(c) Advertising, sales promotion, consumer education, and research and development plans or projects; development and submittal to Secretary by Board

Providing that the Egg Board shall, subject to the provisions of subsection (g) of this section, develop and submit to the Secretary for his approval any advertising, sales promotion, consumer education, research, and development plans or projects, and that any such plan or project must be approved by the Secretary before becoming effective.

In preparing a budget for each of the 1994 and subsequent fiscal years, the Egg Board shall, to the maximum extent practicable, allocate a proportion of funds for research projects under this chapter that is comparable to the proportion of funds that were allocated for research projects under this chapter in the budget of the Egg Board for fiscal year 1993.

(1) Providing that each egg producer shall pay to the handler of eggs designated by the order of the Egg Board pursuant to regulations issued under the order, an assessment based upon the number of cases of commercial eggs handled for the account of such producer, in the manner as prescribed by the order, for such expenses and expenditures—including provision for a reasonable reserve and those administrative costs incurred by the Department after an order has been promulgated under this chapter—as the Secretary finds are reasonable and likely to be incurred by the Egg Board under the order during any period specified by him. Such handler shall collect such assessment from the producer and shall pay the same to the Egg Board in the manner as prescribed by the order.

(2)(A) The assessment rate shall be prescribed by the order. The rate shall not exceed 20 cents per case (or the equivalent of a case) of commercial eggs.

(C) The order may be amended to decrease the assessment rate after public notice and opportunity for comment in accordance with section 553 of title 5 and without regard to sections 556 and 557 of such title.

(3) To facilitate the collection of such assessments, the order of the Egg Board may designate different handlers or classes of handlers to recognize differences in marketing practices or procedures utilized in the industry. The Secretary may maintain a suit against any person subject to the order for the collection of such assessment, and the several district courts of the United States are hereby vested with jurisdiction to entertain such suits regardless of the amount in controversy.

§ 2708. Referendum among egg producers

(a) Producer approval of order

The Secretary shall conduct a referendum among egg producers not exempt hereunder who, during a representative period determined by the Secretary, have been engaged in the production of commercial eggs, for the purpose of ascertaining whether the issuance of an order is approved or favored by such producers. No order issued pursuant to this chapter shall be effective unless the Secretary determines that the issuance of such order is approved or favored by not less than two-thirds of the producers voting in such referendum, or by a majority of the producers voting in such referendum if such majority produced not less than two-thirds of the commercial eggs produced during a representative period defined by the Secretary.

(b) Request by Egg Board for referendum

(1) If the Egg Board determines, based on a scientific study, marketing analysis, or other similar competent evidence, that an increase in the assessment rate is needed to ensure that assessments under the order are set at an appropriate level to effectuate the policy declared in section 2701 of this title, the Egg Board may request that the Secretary conduct a referendum, as provided in paragraph (2).

(2)(A) If the Egg Board requests the Secretary to conduct a referendum under paragraph (1) or (3), the Secretary shall conduct a referendum among egg producers not exempt from this chapter who, during a representative period determined by the Secretary, have been engaged in the production of commercial eggs, for the purpose of ascertaining whether the producers approve the change in the assessment rate proposed by the Egg Board.

(i) not less than two-thirds of the producers voting in the referendum; or

(ii) a majority of the producers voting in the referendum, if the majority produced not less than two-thirds of all the commercial eggs produced by the producers voting during a representative period defined by the Secretary.

(3)(A) In the case of the order in effect on December 14, 1993, the Egg Board shall determine under paragraph (1), as soon as practicable after December 14, 1993, whether to request that the Secretary conduct a referendum under paragraph (2).

(B) If the Egg Board makes such a request on the basis of competent evidence, as provided in paragraph (1), the Secretary shall conduct the referendum as soon as practicable, but not later than—

(i) 120 days after receipt of the request from the Egg Board; or

(ii) if the Director of the Office of Management and Budget determines that the change in the assessment rate is a significant action that requires review by the Director, 170 days after receipt of the request from the Egg Board.

(4) Notwithstanding any other provision of this chapter, if an increase in the assessment rate and the authority for additional increases is approved by producers in a referendum conducted under this subsection, the Secretary shall amend the order to reflect the vote of the producers. The amendment to the order shall become effective on the date of issuance of the amendment.

(c) Nonapproval of amendments as not invalidating order

The failure of egg producers to approve an amendment to any Egg Research and Promotion Order shall not be deemed to invalidate such order.
