SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 7401 of this title.

§ 6503. National organic production program**(a) In general**

The Secretary shall establish an organic certification program for producers and handlers of agricultural products that have been produced using organic methods as provided for in this chapter.

(b) State program

In establishing the program under subsection (a) of this section, the Secretary shall permit each State to implement a State organic certification program for producers and handlers of agricultural products that have been produced using organic methods as provided for in this chapter.

(c) Consultation

In developing the program under subsection (a) of this section, and the National List under section 6517 of this title, the Secretary shall consult with the National Organic Standards Board established under section 6518 of this title.

(d) Certification

The Secretary shall implement the program established under subsection (a) of this section through certifying agents. Such certifying agents may certify a farm or handling operation that meets the requirements of this chapter and the requirements of the organic certification program of the State (if applicable) as an organically certified farm or handling operation.
