(3)(A) In the case of a contract described in paragraph (1) proposed to be entered into with a private party, the report shall specify whether the contract will or may include a guarantee (including the making of mortgage or rental payments) by the Secretary to the private party in the event of—

(i) the closure or realignment of the installation for which housing will be provided under the contract;

(ii) a reduction in force of units stationed at such installation; or

(iii) the extended deployment of units stationed at such installation.

(B) If the contract will or may include such a guarantee, the report shall also—

(i) describe the nature of the guarantee; and

(ii) assess the extent and likelihood, if any, of the liability of the United States with respect to the guarantee.

(4) The report shall be submitted not later than 30 days before the date on which the Secretary issues the contract solicitation or offers the conveyance or lease.

(a) ANNUAL REPORTS.—The Secretary of Defense shall include each year in the materials that the Secretary submits to Congress in support of the budget submitted by the President pursuant to section 1105 of title 31 the following:

(1) A report on the expenditures and receipts during the preceding fiscal year covering the Funds established under section 2883 of this title.

(2) A methodology for evaluating the extent and effectiveness of the use of the authorities under this subchapter during such preceding fiscal year, and such recommendations as the Secretary considers necessary for improving the extent and effectiveness of the use of such authorities in the future.

(3) A review of activities of the Secretary under this subchapter during such preceding fiscal year, shown for military family housing, military unaccompanied housing, dual military family housing and military unaccompanied housing, and ancillary supporting facilities.

(4) If a contract for the acquisition or construction of military family housing, military unaccompanied housing, or dual military family housing and military unaccompanied housing entered into during the preceding fiscal year did not include the acquisition or construction of the types of ancillary supporting facilities specifically referred to in section 2881(1) of this title, a justification of the reasons why such ancillary supporting facilities were not included. (5) A description of the Secretary’s plans for housing privatization activities under this subchapter: (A) during the fiscal year for which the budget is submitted; and (B) during the current fiscal year covered by the then-current future-years defense plan under section 221 of this title.

AMENDMENTS
2003—Subsec. (a)(2) to (4). Pub. L. 108–136, §2807(a), designated second sentence of par. (2) as par. (4) and added par. (3).

Subsec. (b)(2). Pub. L. 108–136, §2807(b)(1), inserted before period at end “, and such recommendations as the Secretary considers necessary for improving the extent and effectiveness of the use of such authorities in the future”.

Subsec. (b)(3) to (5). Pub. L. 108–136, §2807(b)(2), added pars. (3) to (5) and struck out former par. (3) which read as follows: “A description of the objectives of the Department of Defense for providing military family housing and military unaccompanied housing for members of the armed forces.”

FINAL REPORT
Section 2801(b) of Pub. L. 104–106 provided that: “Not later than March 1, 2000, the Secretary of Defense shall submit to the congressional defense committees (Committees on Armed Services and on Appropriations of the Senate and House of Representatives) a report on the use by the Secretary of Defense and the Secretaries of the military departments of the authorities provided by subchapter IV of chapter 169 of title 10, United States Code, as added by subsection (a). The report shall assess the effectiveness of such authority in providing for the construction and improvement of military family housing and military unaccompanied housing.”

§2885. Expiration of authority
The authority to enter into a contract under this subchapter shall expire on December 31, 2012.

AMENDMENTS
2003—Subsec. (a)(2) to (4). Pub. L. 108–136, §2807(a), designated second sentence of par. (2) as par. (4) and added par. (3).

Subsec. (b)(2). Pub. L. 108–136, §2807(b)(1), inserted before period at end “, and such recommendations as the Secretary considers necessary for improving the extent and effectiveness of the use of such authorities in the future”.

Subsec. (b)(3) to (5). Pub. L. 108–136, §2807(b)(2), added pars. (3) to (5) and struck out former par. (3) which read as follows: “A description of the objectives of the Department of Defense for providing military family housing and military unaccompanied housing for members of the armed forces.”

FINAL REPORT
Section 2801(b) of Pub. L. 104–106 provided that: “Not later than March 1, 2000, the Secretary of Defense shall submit to the congressional defense committees (Committees on Armed Services and on Appropriations of the Senate and House of Representatives) a report on the use by the Secretary of Defense and the Secretaries of the military departments of the authorities provided by subchapter IV of chapter 169 of title 10, United States Code, as added by subsection (a). The report shall assess the effectiveness of such authority in providing for the construction and improvement of military family housing and military unaccompanied housing.”

§2885. Expiration of authority
The authority to enter into a contract under this subchapter shall expire on December 31, 2012.

AMENDMENTS
2003—Subsec. (a)(2) to (4). Pub. L. 108–136, §2807(a), designated second sentence of par. (2) as par. (4) and added par. (3).

Subsec. (b)(2). Pub. L. 108–136, §2807(b)(1), inserted before period at end “, and such recommendations as the Secretary considers necessary for improving the extent and effectiveness of the use of such authorities in the future”.

Subsec. (b)(3) to (5). Pub. L. 108–136, §2807(b)(2), added pars. (3) to (5) and struck out former par. (3) which read as follows: “A description of the objectives of the Department of Defense for providing military family housing and military unaccompanied housing for members of the armed forces.”

FINAL REPORT
Section 2801(b) of Pub. L. 104–106 provided that: “Not later than March 1, 2000, the Secretary of Defense shall submit to the congressional defense committees (Committees on Armed Services and on Appropriations of the Senate and House of Representatives) a report on the use by the Secretary of Defense and the Secretaries of the military departments of the authorities provided by subchapter IV of chapter 169 of title 10, United States Code, as added by subsection (a). The report shall assess the effectiveness of such authority in providing for the construction and improvement of military family housing and military unaccompanied housing.”
§ 2901. Strategic Environmental Research and Development Program

(a) The Secretary of Defense shall establish a program to be known as the “Strategic Environmental Research and Development Program”.

(b) The purposes of the program are as follows:

(1) To address environmental matters of concern to the Department of Defense and the Department of Energy through support for basic and applied research and development of technologies that can enhance the capabilities of the departments to meet their environmental obligations.

(2) To identify research, technologies, and other information developed by the Department of Defense and the Department of Energy for national defense purposes that would be useful to governmental and private organizations involved in the development of energy technologies and of technologies to address environmental restoration, waste minimization, hazardous waste substitution, and other environmental concerns, and to share such research, technologies, and other information with such governmental and private organizations.

(3) To furnish other governmental organizations and private organizations with data, enhanced data collection capabilities, and enhanced analytical capabilities for use by such organizations in the conduct of environmental research, including research concerning global environmental change.

(4) To identify technologies developed by the private sector that are useful for Department of Defense and Department of Energy defense activities concerning environmental restoration, hazardous and solid waste minimization and prevention, hazardous material substitution, and provide for the use of such technologies in the conduct of such activities.

(5) The Assistant Secretary of Energy responsible for environmental restoration and waste management.

(6) The Director of the Department of Energy Office of Science.

(7) The Administrator of the Environmental Protection Agency.

(8) One representative from each of the Army, Navy, Air Force, and Coast Guard.

(9) The Executive Director of the Council (appointed pursuant to section 2903 of this title), who shall be a nonvoting member.

(c) The Secretary of Defense shall designate a member of the Council as chairman for each odd numbered fiscal year. The Secretary of Energy shall designate a member of the Council as chairman for each even-numbered fiscal year.

(d) The Council shall have the following responsibilities:

(1) To prescribe policies and procedures to implement the Strategic Environmental Research and Development Program.

(2) To enter into contracts, grants, and other financial arrangements, in accordance with other applicable law, to carry out the purposes of the Strategic Environmental Research and Development Program.

(3) To prepare an annual report that contains the following:

(A) A description of activities of the strategic environmental research and development program carried out during the fiscal year before the fiscal year in which the report is prepared.

(B) A general outline of the activities planned for the program during the fiscal year in which the report is prepared.

(C) A summary of projects continued from the fiscal year before the fiscal year in which the report is prepared and projects expected to be started during the fiscal year in which the report is prepared and during the following fiscal year.

(D) A summary of the actions of the Strategic Environmental Research and Development Program Scientific Advisory Board during the year preceding the year in which the report is submitted and any recommendations, including recommendations on program direction and legislation, that the Advisory Board considers appropriate regarding the program.

(4) To promote the maximum exchange of information, and to minimize duplication, regarding environmentally related research, development, and demonstration activities through close coordination with the military departments and Defense Agencies, the Department of Energy, the Environmental Protection Agency, the National Oceanic and Atmospheric Administration, the National Aeronautics and Space Administration, other departments and agencies of the Federal Government or any State and local governments, including the National Science and Technology Council, and other organizations engaged in such activities.

(5) To ensure that research and development activities under the Strategic Environmental Research and Development Program do not
(e) In carrying out subsection (d)(1), the Council shall prescribe policies and procedures that—

(1) provide for appropriate access by Federal Government personnel, State and local government personnel, college and university personnel, industry personnel, and the general public to data under the control of, or otherwise available to, the Department of Defense that is relevant to environmental matters by—

(A) identifying the sources of such data;

(B) publicizing the availability and sources of such data by appropriately-targeted dissemination of information to such personnel and the general public, and by other means; and

(C) providing for review of classified data relevant to environmental matters with a view to declassifying or preparing unclassified summaries of such data;

(2) provide governmental and nongovernmental entities with analytic assistance, consistent with national defense missions, including access to military platforms for sensor deployment and access to computer capabilities, in order to facilitate environmental research;

(3) provide for the identification of energy technologies developed for national defense purposes (including electricity generation systems, energy storage systems, alternative fuels, biomass energy technology, and applied materials technology) that might have environmentally sound, energy-efficient applications for other programs of the Department of Defense and the Department of Energy national security programs;

(4) provide for the identification and support of programs of basic and applied research, development, and demonstration in technologies useful—

(A) to facilitate environmental compliance, remediation, and restoration activities of the Department of Defense and at Department of Energy defense facilities;

(B) to minimize waste generation, including reduction at the source, by such departments; or

(C) to substitute use of nonhazardous, nontoxic, nonpolluting, and other environmentally sound materials and substances for use of hazardous, toxic, and polluting materials and substances by such departments;

(5) provide for the identification and support of research, development, and application of other technologies developed for national defense purposes which not only are directly useful for programs, projects, and activities of such departments, but also have useful applications for solutions to such national and international environmental problems as climate change and ozone depletion;

(6) provide for the Secretary of Defense, the Secretary of Energy, and the Administrator of the Environmental Protection Agency, in cooperation with other Federal and State agencies, as appropriate, to conduct joint research, development, and demonstration projects relating to innovative technologies, management practices, and other approaches for purposes of—

(A) preventing pollution from all sources;

(B) minimizing hazardous and solid waste, including recycling; and

(C) treating hazardous and solid waste, including the use of thermal, chemical, and biological treatment technologies;

(7) encourage transfer of technologies referred to in clauses (2) through (6) to the private sector under the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3701 et seq.) and other applicable laws;

(8) provide for the identification of, and planning for the demonstration and use of, existing environmentally sound, energy-efficient technologies developed by the private sector that could be used directly by the Department of Defense;

(9) provide for the identification of military specifications that prevent or limit the use of environmentally beneficial technologies, materials, and substances in the performance of Department of Defense contracts and recommend changes to such specifications; and

(10) to ensure that the research and development programs identified for support pursuant to the policies and procedures prescribed by the Council are closely coordinated with, and do not duplicate, ongoing activities sponsored by the Department of Defense, the Department of Energy, the Environmental Protection Agency, the National Aeronautics and Space Administration, the National Oceanic and Atmospheric Administration, or other Federal agencies.

(f) The Council shall be subject to the authority, direction, and control of the Secretary of Defense in prescribing policies and procedures under subsection (d)(1).

(g) Not later than February 1 of each year, the Council shall submit to the Secretary of Defense the annual report prepared pursuant to subsection (d)(3).
