

3. Any brief in opposition shall be filed within 30 days after the case is placed on the docket, unless the time is extended by the Court or a Justice, or by the Clerk under Rule 30.4. Forty copies shall be filed, except that a respondent proceeding *in forma pauperis* under Rule 39, including an inmate of an institution, shall file the number of copies required for a petition by such a person under Rule 12.2, together with a motion for leave to proceed *in forma pauperis*, a copy of which shall precede and be attached to each copy of the brief in opposition. If the petitioner is proceeding *in forma pauperis*, the respondent may file an original and 10 copies of a brief in opposition prepared as required by Rule 33.2. Whether prepared under Rule 33.1 or Rule 33.2, the brief in opposition shall comply with the requirements of Rule 24 governing a respondent's brief, except that no summary of the argument is required. A brief in opposition may not be joined with any other pleading, except that any motion for leave to proceed *in forma pauperis* shall be attached. The brief in opposition shall be served as required by Rule 29.

4. No motion by a respondent to dismiss a petition for a writ of certiorari may be filed. Any objections to the jurisdiction of the Court to grant a petition for a writ of certiorari shall be included in the brief in opposition.

5. The Clerk will distribute the petition to the Court for its consideration upon receiving an express waiver of the right to file a brief in opposition, or, if no waiver or brief in opposition is filed, upon the expiration of the time allowed for filing. If a brief in opposition is timely filed, the Clerk will distribute the petition, brief in opposition, and any reply brief to the Court for its consideration no less than 10 days after the brief in opposition is filed.

6. Any petitioner may file a reply brief addressed to new points raised in the brief in opposition, but distribution and consideration by the Court under paragraph 5 of this Rule will not be deferred pending its receipt. Forty copies shall be filed, except that a petitioner proceeding *in forma pauperis* under Rule 39, including an inmate of an institution, shall file the number of copies required for a petition by such a person under Rule 12.2. The reply brief shall be served as required by Rule 29.

7. If a cross-petition for a writ of certiorari has been docketed, distribution of both petitions will be deferred until the cross-petition is due for distribution under this Rule.

8. Any party may file a supplemental brief at any time while a petition for a writ of certiorari is pending, calling attention to new cases, new legislation, or other intervening matter not available at the time of the party's last filing. A supplemental brief shall be restricted to new matter and shall follow, insofar as applicable, the form for a brief in opposition prescribed by this Rule. Forty copies shall be filed, except that a party proceeding *in forma pauperis* under Rule 39, including an inmate of an institution, shall file the number of copies required for a petition by such a person under Rule 12.2. The supplemental brief shall be served as required by Rule 29.

Rule 16. Disposition of a Petition for a Writ of Certiorari

1. After considering the documents distributed under Rule 15, the Court will enter an appropriate order. The order may be a summary disposition on the merits.

2. Whenever the Court grants a petition for a writ of certiorari, the Clerk will prepare, sign, and enter an order to that effect and will notify forthwith counsel of record and the court whose judgment is to be reviewed. The case then will be scheduled for briefing and oral argument. If the record has not previously been filed in this Court, the Clerk will request the clerk of the court having possession of the record to certify and transmit it. A formal writ will not issue unless specially directed.

3. Whenever the Court denies a petition for a writ of certiorari, the Clerk will prepare, sign, and enter an order to that effect and will notify forthwith counsel of record and the court whose judgment was sought to be reviewed. The order of denial will not be suspended pending disposition of a petition for rehearing except by order of the Court or a Justice.

PART IV. OTHER JURISDICTION

Rule 17. Procedure in an Original Action

1. This Rule applies only to an action invoking the Court's original jurisdiction under Article III of the Constitution of the United States. See also 28 U.S.C. §1251 and U.S. Const., Amdt. 11. A petition for an extraordinary writ in aid of the Court's appellate jurisdiction shall be filed as provided in Rule 20.

2. The form of pleadings and motions prescribed by the Federal Rules of Civil Procedure is followed. In other respects, those Rules and the Federal Rules of Evidence may be taken as guides.

3. The initial pleading shall be preceded by a motion for leave to file, and may be accompanied by a brief in support of the motion. Forty copies of each document shall be filed, with proof of service. Service shall be as required by Rule 29, except that when an adverse party is a State, service shall be made on both the Governor and the Attorney General of that State.

4. The case will be placed on the docket when the motion for leave to file and the initial pleading are filed with the Clerk. The Rule 38(a) docket fee shall be paid at that time.

5. No more than 60 days after receiving the motion for leave to file and the initial pleading, an adverse party shall file 40 copies of any brief in opposition to the motion, with proof of service as required by Rule 29. The Clerk will distribute the filed documents to the Court for its consideration upon receiving an express waiver of the right to file a brief in opposition, or, if no waiver or brief is filed, upon the expiration of the time allowed for filing. If a brief in opposition is timely filed, the Clerk will distribute the filed documents to the Court for its consideration no less than 10 days after the brief in opposition is filed. A reply brief may be filed, but consideration of the case will not be deferred pending its receipt. The Court thereafter may grant or deny the motion, set it for oral argu-

ment, direct that additional documents be filed, or require that other proceedings be conducted.

6. A summons issued out of this Court shall be served on the defendant 60 days before the return day specified therein. If the defendant does not respond by the return day, the plaintiff may proceed *ex parte*.

7. Process against a State issued out of this Court shall be served on both the Governor and the Attorney General of that State.

Rule 18. Appeal from a United States District Court

1. When a direct appeal from a decision of a United States district court is authorized by law, the appeal is commenced by filing a notice of appeal with the clerk of the district court within the time provided by law after entry of the judgment sought to be reviewed. The time to file may not be extended. The notice of appeal shall specify the parties taking the appeal, designate the judgment, or part thereof, appealed from and the date of its entry, and specify the statute or statutes under which the appeal is taken. A copy of the notice of appeal shall be served on all parties to the proceeding as required by Rule 29, and proof of service shall be filed in the district court together with the notice of appeal.

2. All parties to the proceeding in the district court are deemed parties entitled to file documents in this Court, but a party having no interest in the outcome of the appeal may so notify the Clerk of this Court and shall serve a copy of the notice on all other parties. Parties interested jointly, severally, or otherwise in the judgment may appeal separately, or any two or more may join in an appeal. When two or more judgments involving identical or closely related questions are sought to be reviewed on appeal from the same court, a notice of appeal for each judgment shall be filed with the clerk of the district court, but a single jurisdictional statement covering all the judgments suffices. Parties who file no document will not qualify for any relief from this Court.

3. No more than 60 days after filing the notice of appeal in the district court, the appellant shall file 40 copies of a jurisdictional statement and shall pay the Rule 38 docket fee, except that an appellant proceeding *in forma pauperis* under Rule 39, including an inmate of an institution, shall file the number of copies required for a petition by such a person under Rule 12.2, together with a motion for leave to proceed *in forma pauperis*, a copy of which shall precede and be attached to each copy of the jurisdictional statement. The jurisdictional statement shall follow, insofar as applicable, the form for a petition for a writ of certiorari prescribed by Rule 14, and shall be served as required by Rule 29. The case will then be placed on the docket. It is the appellant's duty to notify all appellees promptly, on a form supplied by the Clerk, of the date of filing, the date the case was placed on the docket, and the docket number of the case. The no-

tice shall be served as required by Rule 29. The appendix shall include a copy of the notice of appeal showing the date it was filed in the district court. For good cause, a Justice may extend the time to file a jurisdictional statement for a period not exceeding 60 days. An application to extend the time to file a jurisdictional statement shall set out the basis for jurisdiction in this Court; identify the judgment sought to be reviewed; include a copy of the opinion, any order respecting rehearing, and the notice of appeal; and set out specific reasons why an extension of time is justified. For the time and manner of presenting the application, see Rules 21, 22, and 30. An application to extend the time to file a jurisdictional statement is not favored.

4. No more than 30 days after a case has been placed on the docket, an appellee seeking to file a conditional cross-appeal (*i.e.*, a cross-appeal that otherwise would be untimely) shall file, with proof of service as required by Rule 29, a jurisdictional statement that complies in all respects (including number of copies filed) with paragraph 3 of this Rule, except that material already reproduced in the appendix to the opening jurisdictional statement need not be reproduced again. A cross-appealing appellee shall pay the Rule 38 docket fee or submit a motion for leave to proceed *in forma pauperis*. The cover of the cross-appeal shall indicate clearly that it is a conditional cross-appeal. The cross-appeal then will be placed on the docket. It is the cross-appellant's duty to notify all cross-appellees promptly, on a form supplied by the Clerk, of the date of filing, the date the cross-appeal was placed on the docket, and the docket number of the cross-appeal. The notice shall be served as required by Rule 29. A cross-appeal may not be joined with any other pleading, except that any motion for leave to proceed *in forma pauperis* shall be attached. The time to file a cross-appeal will not be extended.

5. After a notice of appeal has been filed in the district court, but before the case is placed on this Court's docket, the parties may dismiss the appeal by stipulation filed in the district court, or the district court may dismiss the appeal on the appellant's motion, with notice to all parties. If a notice of appeal has been filed, but the case has not been placed on this Court's docket within the time prescribed for docketing, the district court may dismiss the appeal on the appellee's motion, with notice to all parties, and may make any just order with respect to costs. If the district court has denied the appellee's motion to dismiss the appeal, the appellee may move this Court to docket and dismiss the appeal by filing an original and 10 copies of a motion presented in conformity with Rules 21 and 33.2. The motion shall be accompanied by proof of service as required by Rule 29, and by a certificate from the clerk of the district court, certifying that a notice of appeal was filed and that the appellee's motion to dismiss was denied. The appellant may not thereafter file a jurisdictional statement without special leave of the Court, and the Court may allow costs against the appellant.

6. Within 30 days after the case is placed on this Court's docket, the appellee may file a motion to dismiss, to affirm, or in the alternative
