

any applicable core principle through delegation of any relevant function to a registered futures association or another registered entity.

**(2) Responsibility**

A contract market or derivatives transaction execution facility that delegates a function under paragraph (1) shall remain responsible for carrying out the function.

**(3) Noncompliance**

If a contract market or derivatives transaction execution facility that delegates a function under paragraph (1) becomes aware that a delegated function is not being performed as required under this chapter, the contract market or derivatives transaction execution facility shall promptly take steps to address the noncompliance.

**(c) New contracts, new rules, and rule amendments**

**(1) In general**

Subject to paragraph (2), a registered entity may elect to list for trading or accept for clearing any new contract or other instrument, or may elect to approve and implement any new rule or rule amendment, by providing to the Commission (and the Secretary of the Treasury, in the case of a contract of sale of a government security for future delivery (or option on such a contract) or a rule or rule amendment specifically related to such a contract) a written certification that the new contract or instrument or clearing of the new contract or instrument, new rule, or rule amendment complies with this chapter (including regulations under this chapter).

**(2) Prior approval**

**(A) In general**

A registered entity may request that the Commission grant prior approval to any new contract or other instrument, new rule, or rule amendment.

**(B) Prior approval required**

Notwithstanding any other provision of this section, a designated contract market shall submit to the Commission for prior approval each rule amendment that materially changes the terms and conditions, as determined by the Commission, in any contract of sale for future delivery of a commodity specifically enumerated in section 1a(4) of this title (or any option thereon) traded through its facilities if the rule amendment applies to contracts and delivery months which have already been listed for trading and have open interest.

**(C) Deadline**

If prior approval is requested under subparagraph (A), the Commission shall take final action on the request not later than 90 days after submission of the request, unless the person submitting the request agrees to an extension of the time limitation established under this subparagraph.

**(3) Approval**

The Commission shall approve any such new contract or instrument, new rule, or rule

amendment unless the Commission finds that the new contract or instrument, new rule, or rule amendment would violate this chapter.

**(d) Violation of core principles**

**(1) In general**

If the Commission determines, on the basis of substantial evidence, that a registered entity is violating any applicable core principle specified in section 7(d), 7a(d), or 7a-1(d)(2)<sup>1</sup> of this title, the Commission shall—

(A) notify the registered entity in writing of the determination; and

(B) afford the registered entity an opportunity to make appropriate changes to bring the registered entity into compliance with the core principles.

**(2) Failure to make changes**

If, not later than 30 days after receiving a notification under paragraph (1), a registered entity fails to make changes that, in the opinion of the Commission, are necessary to comply with the core principles, the Commission may take further action in accordance with this chapter.

**(e) Reservation of emergency authority**

Nothing in this section shall limit or in any way affect the emergency powers of the Commission provided in section 12a(9) of this title.

**(f) Rules to avoid duplicative regulation of dual registrants**

Consistent with this chapter, each designated contract market and registered derivatives transaction execution facility shall issue such rules as are necessary to avoid duplicative or conflicting rules applicable to any futures commission merchant registered with the Commission pursuant to section 6f(a) of this title (except paragraph (2) thereof), that is also registered with the Securities and Exchange Commission pursuant to section 78o(b) of title 15 (except paragraph (11) thereof) with respect to the application of—

(1) rules of such designated contract market or registered derivatives transaction execution facility of the type specified in section 6d(3) of this title involving security futures products; and

(2) similar rules of national securities associations registered pursuant to section 78o-3(a) of title 15 and national securities exchanges registered pursuant to section 78f(g) of title 15 involving security futures products.

This section is referred to in sections 7b-1, 13a, 25 of this title; title 15 section 78s.

**§ 7a-3. Exempt boards of trade**

**(a) Election to register with the Commission**

A board of trade that meets the requirements of subsection (b) of this section may operate as

an exempt board of trade on receipt from the board of trade of a notice, provided in such manner as the Commission may by rule or regulation prescribe, that the board of trade elects to operate as an exempt board of trade. Except as otherwise provided in this section, no provision of this chapter (other than subparagraphs (C) and (D) of sections 2(a)(1) and 16(e)(2)(B) of this title) shall apply with respect to a contract of sale of a commodity for future delivery (or option on such a contract) traded on or through the facilities of an exempt board of trade.

**(b) Criteria for exemption**

To qualify for an exemption under subsection (a) of this section, a board of trade shall limit trading on or through the facilities of the board of trade to contracts of sale of a commodity for future delivery (or options on such contracts or on a commodity)—

(1) for which the underlying commodity has—

(A) a nearly inexhaustible deliverable supply;

(B) a deliverable supply that is sufficiently large, and a cash market sufficiently liquid, to render any contract traded on the commodity highly unlikely to be susceptible to the threat of manipulation; or

(C) no cash market;

(2) that are entered into only between persons that are eligible contract participants at the time at which the persons enter into the contract; and

(3) that are not contracts of sale (or options on such a contract or on a commodity) for future delivery of any security, including any group or index of securities or any interest in, or based on the value of, any security or any group or index of securities.

**(c) Antimanipulation requirements**

A party to a contract of sale of a commodity for future delivery (or option on such a contract or on a commodity) that is traded on an exempt board of trade shall be subject to sections 6b, 6c(b), 6o, 9, 15, and 13(a)(2) of this title, and the Commission shall enforce those provisions with respect to any such trading.

**(d) Price discovery**

If the Commission finds that an exempt board of trade is a significant source of price discovery for transactions in the cash market for the commodity underlying any contract, agreement, or transaction traded on or through the facilities of the board of trade, the board of trade shall disseminate publicly on a daily basis trading volume, opening and closing price ranges, open interest, and other trading data as appropriate to the market.

**(e) Jurisdiction**

The Commission shall have exclusive jurisdiction over any account, agreement, contract, or transaction involving a contract of sale of a commodity for future delivery, or option on such a contract or on a commodity, to the extent that the account, agreement, contract, or transaction is traded on an exempt board of trade.

**(f) Subsidiaries**

A board of trade that is designated as a contract market or registered as a derivatives transaction execution facility may operate an exempt board of trade by establishing a separate subsidiary or other legal entity and otherwise satisfying the requirements of this section.

**(g) Misrepresentation of status**

An exempt board of trade that meets the requirements of subsection (b) of this section shall not represent to any person that the board of trade is registered with, or designated, recognized, licensed, or approved by the Commission.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 2 of this title.

**§ 7b. Suspension or revocation of designation as registered entity**

The failure of a registered entity to comply with any provision of this chapter, or any regulation or order of the Commission under this chapter, shall be cause for the suspension of the registered entity for a period not to exceed 180 days, or revocation of designation as a registered entity in accordance with the procedures and subject to the judicial review provided in section 8(b) of this title.

L. 106-554, §1(a)(5) [title I, §§110(1), 115], Dec. 21, 2000, 114 Stat. 2763, 2763A-384, 2763A-402.)

AMENDMENTS

2000—Pub. L. 106-554, §1(a)(5) [title I, §115], amended section generally. Prior to amendment, section read as follows: “The failure or refusal of any board of trade to comply with any of the provisions of this chapter, or any of the rules, regulations, or orders of the Commission or the commission thereunder, shall be cause for suspending for a period not to exceed six months or revoking the designation of such board of trade as a ‘contract market’ in accordance with the procedure and subject to the judicial review provided in section 8(b) of this title.”

1992—Pub. L. 102-546 substituted reference to section 8(b) of this title for reference to section 8 of this title.

1974—Pub. L. 93-463, §103(a), provided for substitution of “Commission” for “Secretary of Agriculture” except where such words would be stricken by section 103(b), which directed striking the words “the Secretary of Agriculture or” where they appeared in the phrase “the Secretary of Agriculture or the Commission”. Because the word “commission” was not capitalized in the text of this section, section 103(b) did not apply to this section and therefore section 103(a) was executed, resulting in the substitution of “the Commission or the commission” for “the Secretary of Agriculture or the commission”.

1968—Pub. L. 90-258 substituted “rules, regulations, or orders of the Secretary of Agriculture or the commission” for “rules and regulations of the Secretary of Agriculture”.
