**§ 1325. Confirmation of plan**

(a) Except as provided in subsection (b), the court shall confirm a plan if—

(1) The plan complies with the provisions of this chapter and with the other applicable provisions of this title;

(2) any fee, charge, or amount required under chapter 123 of title 28, or by the plan, to be paid before confirmation, has been paid;

(3) the plan has been proposed in good faith and not by any means forbidden by law;

(4) the value, as of the effective date of the plan, of property to be distributed under the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate of the debtor were liquidated under chapter 7 of this title on such date;

(5) with respect to each allowed secured claim provided for by the plan—

(A) the holder of such claim has accepted the plan;

(B)(i) the plan provides that the holder of such claim retain the lien securing such claim; and

(ii) the value, as of the effective date of the plan, of property to be distributed under the plan on account of such claim is not less than the allowed amount of such claim; or

(C) the debtor surrenders the property securing such claim to such holder; and

(6) the debtor will be able to make all payments under the plan and to comply with the plan.

(b)(1) If the trustee or the holder of an allowed unsecured claim objects to the confirmation of the plan, then the court may not approve the plan unless, as of the effective date of the plan—

(A) the value of the property to be distributed under the plan on account of such claim is not less than the amount of such claim; or

(B) the plan provides that all of the debtor's projected disposable income to be received in the three-year period beginning on the date that the first payment is due under the plan will be applied to make payments under the plan.

(2) For purposes of this subsection, “disposable income” means income which is received by the debtor and which is not reasonably necessary to be expended—

(A) for the maintenance or support of the debtor or a dependent of the debtor, including charitable contributions (that meet the definition of “charitable contribution” under sec-

tion 548(d)(3)) to a qualified religious or charitable entity or organization (as that term is defined in section 548(d)(4)) in an amount not to exceed 15 percent of the gross income of the debtor for the year in which the contributions are made; and

(B) if the debtor is engaged in business, for the payment of expenditures necessary for the continuation, preservation, and operation of such business.

(c) After confirmation of a plan, the court may order any entity from whom the debtor receives income to pay all or any part of such income to the trustee.

HISTORICAL AND REVISION NOTES

LEGISLATIVE STATEMENTS

Section 1325(a)(5)(B) of the House amendment modifies the House bill and Senate amendment to significantly protect secured creditors in chapter 13. Unless the secured creditor accepts the plan, the plan must provide that the secured creditor retain the lien securing the creditor's allowed secured claim in addition to receiving value, as of the effective date of the plan of property to be distributed under the plan on account of the claim not less than the allowed amount of the claim. To this extent, a secured creditor in a case under chapter 13 is treated identically with a recourse creditor under section 1111(b)(1) of the House amendment except that the secured creditor in a case under chapter 13 may receive any property of a value as of the effective date of the plan equal to the allowed amount of the creditor's secured claim rather than being restricted to receiving deferred cash payments. Of course, the secured creditors' lien only secures the value of the collateral and to the extent property is distributed of a present value equal to the allowed amount of the creditor's secured claim the creditor's lien will have been satisfied in full. Thus the lien created under section 1325(a)(5)(B)(i) is effective only to secure deferred payments to the extent of the amount of the allowed secured claim. To the extent the deferred payments exceed the value of the allowed amount of the secured claim and the debtor subsequently defaults, the lien will not secure unaccrued interest represented in such deferred payments.

SENATE REPORT NO. 95-989

The bankruptcy court must confirm a plan if (1) the plan satisfies the provisions of chapter 13 and other applicable provisions of title 11; (2) it is proposed in good faith; (3) it is in the best interests of creditors, and defined by subsection (a)(4) of Section 1325; (4) it has been accepted by the holder of each allowed secured claim provided for the plan or where the holder of any such secured claim is to receive value under the plan not less than the amount of the allowed secured claim, or where the debtor surrenders to the holder the collateral securing any such allowed secured claim; (5) the plan is feasible; and (6) the requisite fees and charges have been paid.

Subsection (b) authorizes the court to order an entity, as defined by Section 101(15), to pay any income of the debtor to the trustee. Any governmental unit is an entity subject to such an order.
