§ 204. Federal Lands Highways Program

(a) ESTABLISHMENT.—

(1) IN GENERAL.—Recognizing the need for all Federal roads that are public roads to be treated under uniform policies similar to the policies that apply to Federal-aid highways, there is established a coordinated Federal lands highways program that shall apply to public lands highways, park roads and parkways, and Indian reservation roads and bridges.

(2) TRANSPORTATION PLANNING PROCEDURES.—In consultation with the Secretary of each ap-

appropriate Federal land management agency, the Secretary shall develop, by rule, transportation planning procedures that are consistent with the metropolitan and statewide planning processes required under sections 134 and 135.

(3) **APPROVAL OF TRANSPORTATION IMPROVEMENT PROGRAM.**—The transportation improvement program developed as a part of the transportation planning process under this section shall be approved by the Secretary.

(4) **INCLUSION IN OTHER PLANS.**—All regionally significant Federal lands highways program projects—

(5) **INCLUSION IN STATE PROGRAMS.**—The approved Federal lands highways program transportation improvement program shall be included in appropriate State and metropolitan planning organization plans and programs without further action on the transportation improvement program.

(6) **DEVELOPMENT OF SYSTEMS.**—The Secretary and the Secretary of each appropriate Federal land management agency shall, to the extent appropriate, develop by rule safety, bridge, pavement, and congestion management systems for roads funded under the Federal lands highways program.

(b) Funds available for public lands highways, park roads and parkways, and Indian reservation roads shall be used by the Secretary and the Secretary of the appropriate Federal land management agency to pay for the cost of transportation planning, research, engineering, and construction of the highways, roads, and parkways, or of transit facilities within public lands, national parks, and Indian reservations. (c) Before approving as a project on an Indian reservation road any project eligible for funds apportioned under section 104 or section 144 of this title in a State, the Secretary must deter-
