§ 2034. Assistance for community food projects

(a) “Community food projects” defined

In this section, the term “community food project” means a community-based project that requires a 1-time infusion of Federal assistance to become self-sustaining and that is designed to—

- (1)(A) meet the food needs of low-income people;
- (B) increase the self-reliance of communities in providing for their own food needs; and
- (C) promote comprehensive responses to local food, farm, and nutrition issues; or
- (2) meet specific State, local, or neighborhood food and agricultural needs, including needs for—
 - (A) infrastructure improvement and development;
 - (B) planning for long-term solutions; or
 - (C) the creation of innovative marketing activities that mutually benefit agricultural producers and low-income consumers.

(b) Authority to provide assistance

(1) In general

From amounts made available to carry out this chapter, the Secretary may make grants to assist eligible private nonprofit entities to establish and carry out community food projects.

(2) Limitation on grants

The total amount of funds provided as grants under this section may not exceed—

- (A) \$1,000,000 for fiscal year 1996; and
- (B) \$5,000,000 for each of fiscal years 1997 through 2007.

(c) Eligible entities

To be eligible for a grant under subsection (b) of this section, a private nonprofit entity must—

- (1) have experience in the area of—
 - (A) community food work, particularly concerning small and medium-sized farms,

including the provision of food to people in low-income communities and the development of new markets in low-income communities for agricultural producers; or

(B) job training and business development activities for food-related activities in low-income communities;

(2) demonstrate competency to implement a project, provide fiscal accountability, collect data, and prepare reports and other necessary documentation; and

(3) demonstrate a willingness to share information with researchers, practitioners, and other interested parties.

(d) Preference for certain projects

In selecting community food projects to receive assistance under subsection (b) of this section, the Secretary shall give a preference to projects designed to—

- (1) develop linkages between 2 or more sectors of the food system;
- (2) support the development of entrepreneurial projects;
- (3) develop innovative linkages between the for-profit and nonprofit food sectors; or
- (4) encourage long-term planning activities, and multisystem, interagency approaches with multistakeholder collaborations, that build the long-term capacity of communities to address the food and agricultural problems of the communities, such as food policy councils and food planning associations.

(e) Matching funds requirements

(1) Requirements

The Federal share of the cost of establishing or carrying out a community food project that receives assistance under subsection (b) of this section may not exceed 50 percent of the cost of the project during the term of the grant.

(2) Calculation

In providing for the non-Federal share of the cost of carrying out a community food project, the entity receiving the grant shall provide for the share through a payment in cash or in kind, fairly evaluated, including facilities, equipment, or services.

(3) Sources

An entity may provide for the non-Federal share through State government, local government, or private sources.

(f) Term of grant

(1) Single grant

A community food project may be supported by only a single grant under subsection (b) of this section.

(2) Term

The term of a grant under subsection (b) of this section may not exceed 3 years.

(g) Technical assistance and related information

(1) Technical assistance

In carrying out this section, the Secretary may provide technical assistance regarding community food projects, processes, and development to an entity seeking the assistance.
