(c) Judicial enforcement; contempt proceedings; service of process.

4817. Preemption.

(a) Promotion and consumer education; funds from pork producers.

(b) Additional or different State regulation prohibited.

(c) Application of section.

4818. Administrative provision.

4819. Authorization of appropriations.

§ 4801. Congressional findings and declaration of purpose

(a) Congress finds that—

(1) pork and pork products are basic foods that are a valuable and healthy part of the human diet;

(2) the production of pork and pork products plays a significant role in the economy of the United States because pork and pork products are—

(A) produced by thousands of producers, including many small- and medium-sized producers; and
