

(c) *Provision of Reports.* To the extent permitted by law, heads of departments and agencies with responsibilities under the National Drug Control Program shall make available to the Office of National Drug Control Policy, appropriate statistics, studies, and reports, pertaining to Federal drug abuse control.

WILLIAM J. CLINTON.

§ 1704. Coordination with National Drug Control Program agencies in demand reduction, supply reduction, and State and local affairs

(a) Access to information

(1) In general

Upon the request of the Director, the head of any National Drug Control Program agency shall cooperate with and provide to the Director any statistics, studies, reports, and other information prepared or collected by the agency concerning the responsibilities of the agency under the National Drug Control Strategy that relate to—

(A) drug control; or

(B) the manner in which amounts made available to that agency for drug control are being used by that agency.

(2) Protection of intelligence information

(A) In general

The authorities conferred on the Office and the Director by this chapter shall be exercised in a manner consistent with provisions of the National Security Act of 1947 (50 U.S.C. 401 et seq.). The Director of National Intelligence shall prescribe such regulations as may be necessary to protect information provided pursuant to this chapter regarding intelligence sources and methods.

(B) Duties of Director

The Director of National Intelligence and the Director of the Central Intelligence Agency shall, to the maximum extent practicable in accordance with subparagraph (A), render full assistance and support to the Office and the Director.

(3) Required reports

(A) Secretaries of the Interior and Agriculture

Not later than July 1 of each year, the Secretaries of Agriculture and the Interior shall jointly submit to the Director and the appropriate congressional committees an assessment of the quantity of illegal drug cultivation and manufacturing in the United States on lands owned or under the jurisdiction of the Federal Government for the preceding year.

(B) Secretary of Homeland Security

Not later than July 1 of each year, the Secretary of Homeland Security shall submit to the Director and the appropriate congressional committees information for the preceding year regarding—

(i) the number and type of seizures of drugs by each component of the Department of Homeland Security seizing drugs, as well as statistical information on the geographic areas of such seizures; and

(ii) the number of air and maritime patrol hours primarily dedicated to drug supply

reduction missions undertaken by each component of the Department of Homeland Security.

(C) Secretary of Defense

The Secretary of Defense shall, by July 1 of each year, submit to the Director and the appropriate congressional committees information for the preceding year regarding the number of air and maritime patrol hours primarily dedicated to drug supply reduction missions undertaken by each component of the Department of Defense.

(D) Attorney General

The Attorney General shall, by July 1 of each year, submit to the Director and the appropriate congressional committees information for the preceding year regarding the number and type of—

(i) arrests for drug violations;

(ii) prosecutions for drug violations by United States Attorneys; and

(iii) seizures of drugs by each component of the Department of Justice seizing drugs, as well as statistical information on the geographic areas of such seizures.

(b) Certification of policy changes to Director

(1) In general

Subject to paragraph (2), the head of a National Drug Control Program agency shall, unless exigent circumstances require otherwise, notify the Director in writing regarding any proposed change in policies relating to the activities of that agency under the National Drug Control Program prior to implementation of such change. The Director shall promptly review such proposed change and certify to the head of that agency in writing whether such change is consistent with the National Drug Control Strategy.

(2) Exception

If prior notice of a proposed change under paragraph (1) is not practicable—

(A) the head of the National Drug Control Program agency shall notify the Director of the proposed change as soon as practicable; and

(B) upon such notification, the Director shall review the change and certify to the head of that agency in writing whether the change is consistent with the National Drug Control Strategy.

(c) General Services Administration

The Administrator of General Services shall provide to the Director, on a reimbursable basis, such administrative support services as the Director may request.

(d) Accounting of funds expended

The Director shall—

(A) require the National Drug Control Program agencies to submit to the Director not later than February 1 of each year a detailed accounting of all funds expended by the agencies for National Drug Control Program activities during the previous fiscal year, and require such accounting to be authenticated by the Inspector General for each agency prior to submission to the Director; and

(B) submit to Congress not later than April 1 of each year the information submitted to the Director under subparagraph (A).

§ 1705. Development, submission, implementation, and assessment of National Drug Control Strategy

(a) Timing, contents, and process for development and submission of National Drug Control Strategy

(1) Timing

Not later than February 1 of each year, the President shall submit to Congress a National Drug Control Strategy, which shall set forth a comprehensive plan for the year to reduce illicit drug use and the consequences of such illicit drug use in the United States by limiting the availability of, and reducing the demand for, illegal drugs.

(2) Contents

(A) In general

The National Drug Control Strategy submitted under paragraph (1) shall include the following:

(i) Comprehensive, research-based, long-range, quantifiable goals for reducing illicit drug use and the consequences of illicit drug use in the United States.

(ii) Annual quantifiable and measurable objectives and specific targets to accomplish long-term quantifiable goals that the Director determines may be achieved during each year beginning on the date on which the National Drug Control Strategy is submitted.

(iii) A 5-year projection for program and budget priorities.

(iv) A review of international, State, local, and private sector drug control activities to ensure that the United States pursues coordinated and effective drug control at all levels of government.

(v) An assessment of current illicit drug use (including inhalants and steroids) and availability, impact of illicit drug use, and treatment availability, which assessment shall include—

(I) estimates of drug prevalence and frequency of use as measured by national, State, and local surveys of illicit drug use and by other special studies of nondependent and dependent illicit drug use;

(II) illicit drug use in the workplace and the productivity lost by such use; and

(III) illicit drug use by arrestees, probationers, and parolees.

(vi) An assessment of the reduction of illicit drug availability, as measured by—

(I) the quantities of cocaine, heroin, marijuana, methamphetamine, ecstasy, and other drugs available for consumption in the United States;

(II) the amount of marijuana, cocaine, heroin, methamphetamine, ecstasy, and precursor chemicals and other drugs entering the United States;

(III) the number of illicit drug manufacturing laboratories seized and destroyed and the number of hectares of marijuana, poppy, and coca cultivated and destroyed domestically and in other countries;

(IV) the number of metric tons of marijuana, heroin, cocaine, and methamphetamine seized and other drugs; and

(V) changes in the price and purity of heroin, methamphetamine, and cocaine, changes in the price of ecstasy, and changes in tetrahydrocannabinol level of marijuana and other drugs.

(vii) An assessment of the reduction of the consequences of illicit drug use and availability, which shall include—

(I) the burden illicit drug users placed on hospital emergency departments in the United States, such as the quantity of illicit drug-related services provided;

(II) the annual national health care cost of illicit drug use; and

(III) the extent of illicit drug-related crime and criminal activity.

(viii) A determination of the status of drug treatment in the United States, by assessing—

(I) public and private treatment utilization; and

(II) the number of illicit drug users the Director estimates meet diagnostic criteria for treatment.

(ix) A review of the research agenda of the Counterdrug Technology Assessment Center to reduce the availability and abuse of drugs.

(x) A summary of the efforts made to coordinate with private sector entities to
